FOURTH OF JULY

We hear a lot about INDEPENDENCE these days. Nearly EVERYBODY is hollering for it and raising the ROOF in one way or ANOTHER because he thinks he is not getting ENOUGH of it. We even set ASIDE a day to shoot off FIREWORKS and make SPEECHES because of our INDEPENDENCE from Great Britain, in the matter of TAXES at least; and yet we DOUBT if anybody stops to think what COMPLETE independence means or would WANT it is they could GET it. The only time that people were EVER completely independent was when they KILLED wild animals with HOME MADE weapons and wore the SKINS for CLOTHES. The LUXURIES of today are possible because of our DEPENDENCE on each other.

Moral: We need you in our business. We hope you need us.
