"From Greenland's Icy Mountains" and "When I Survey the Wondrous Cross" were written and sung for the first time here. The score of the Missionary Hymn in Dr. Mason's handwriting is preserved on the organ case. The church edifice is one of singular beauty, being in effect a replica of Sir Christopher Wren's St. Martin's in the Fields, in London.

While we were in Savannah we stayed at a most comfortable and unusual hotel, the De Soto, which covers an entire city block and has in its court yard a beautiful swimming pool and a miniature golf course, both of which are free to the guests of the hotel, the hotel has an air of southern hospitality and a spaciousness which is most refreshing and which is seldom found in public houses of entertainment in these days.

Time fails me to tell of all the interesting sites and scenes in Savannah and its neighborhood, but I strongly advise any one who is planning a southern trip to include Savannah in his itinerary.

This letter is already too long and I close it with messages of good will and affection to all my friends who may read it.

Very faithfully yours,
P. C. Wolcott

Deerfield Locals

Mr. and Mrs. George Whitcomb of Barrington were visitors of Mr. George Harder Sunday evening.

Miss Katherine Mau has returned from her vacation. She visited Niagara Falls and New York City.

Sixteen guests were present at a miscellaneous shower in honor of Hazel Easton at the home of her sister, Mrs. Walter Page on Osterman avenue.

Miss Grace Sherman returned to her home after spending a week's vacation at the home of her cousin, Miss Lucille Huecksted.

Miss Verene Gunckel was the guest of her grandmother, Mrs. A. M. Gunckel of Highland Park on Tuesday.

Glencoe Community Picnic on Aug. 15th

Thursday, August 15, has been set as the date of a community picnic to be sponsored by the Glencoe Chamber of Commerce. Definite decision to hold the picnic at this time was reached at the regular July meeting of the chamber last week. The picnic will be held at Crystal Lake, about thirty-five miles from Glencoe.

Detailed arrangements for the day have not yet been made, but the program will include games, races, dancing, swimming, boating, and fishing. There will be favors for the children and prizes for winners of the races.

If some chemist would only find a way to make automobile tires out of corn the farm problem would be solved.
