**First United Evangelical Church**  
Rev. C. G. Unangst, Pastor  
25 S. Greenbay Road

Two very important Scripture texts have been chosen for the sermons on Sunday. Note them carefully. They suggest lines of thought that should interest every one of us.

At 10:45 a. m. the pastor will preach on, "Our Weapons." "The weapons with which we fight are not human weapons, but are mighty for God in overthrowing strong fortresses. For we overthrow arrogant reckonings and every stronghold that towers high in defiance of the knowledge of God, and we carry off every thought as if into slavery — into subjection to Christ. Weymouth's translation.

At 7:45 p. m. the minister will speak on, "Our Advocate." "My little children these things write I unto you that ye sin not. And if any man sin, we have an advocate with the Father, Jesus Christ the Righteous." I John 2:1.

The Sunday school meets at 9:30 a. m. The Bible lesson presents, "Ezekiel's Vision of Hope." Ezek. 47:1-12. The people of Israel were in captivity; their situation was dark and discouraging. The prophet assured them of their future restoration, conversion and exaltation as a nation. The stream, mentioned in the lesson, typifies the Holy Spirit. There is new life and blessing of every kind when the Spirit of God is allowed to flow into an individual life or church or community. We aim to make the church a center of divine life and we were encouraged the other Sunday instantly sensed the presence of God in the Sunday school, when he entered the church. Great spiritual blessing is in store for all who will come to the Bible school. Come!

Dorsey Husenetter will lead the Christian Endeavor meeting at 7:00 p. m. Topic, "Every-Day Citizenship." Rom. 13:3, 7-10; Ps. 15:5.

Gospel song, praise and prayer service on Wednesday evening at 8:00 o'clock.

## Bathing Beaches Are Well Attended; Many Children Enjoy Them

The children from Sunset park had a most enjoyable time at the beach on Friday. Thirty-seven were present. A platform and diving board have been placed on the old piling at the end of Park avenue. It might be interesting to some to know that at one time much of the lumber and supplies came by boat and was unloaded on a pier that existed, the piles being the only remaining evidence.

At Central beach a new entrance has been provided so as to facilitate the operation of the beach and some other changes have been made in the ladies locker and dressing room which render it more convenient for the employes and the patrons.

The children from the Ravinia playground find the beach at Roger

Williams avenue a convenient place for bathing on Mondays and Wednesdays. The whole arrangement of the beaches apparently is satisfactory to the public as we have very few complaints.
