

You Must See It Our New After Hour Depository

Determined to stay abreast of the times and to furnish our customers the best in modern banking equipment, we have just installed at a substantial expense, the celebrated McClintock After Hour Depository.

This depository permits our patrons to place their deposits after banking hours, night and day, including holidays, and render them absolutely safe. The service is free. Please inspect — and let us explain to you — this wonderful, practical addition to our bank equipment.
