Every Age of Woman Has Color Which Is hood on: Appropriate, Is Claim

Every age of woman has a color classification and her attire should be chosen in conformity with a set schedule, according to Jane Warren and contrast in hues. Wells, fashion expert of Farm & Fireside:

The following outline is given as suiting colors to all ages from baby-

First year: White. Second, third and fourth years:

Deep pastels.

the fashion and personal preference dictate.

Twenty-fifth to thirty-fifth year Tones for daytime; hues for evening. Practically no decoration.

Thirty-fifth to forty-fifth year: Fifth to twelfth year: Vivid hues. Black or ivory is distinctive. Subtle Twelfth to sixteenth year: Tones decoration.

Forty-fifth to sixty-fifth year: Sixteenth to twenty-fifth year: Dark blue and subtle, subdued tones

One difference between Main Street and Broadway is that on Broadway there are more lights and more suck-

chiffon. -
