**INSULATED TAPPAN GAS RANGE**

WHAT a delightful difference in baking with this beautiful new Tappan *Insulated* Gas Range. Its oven walls are *insulated* to shut out scorching oven heat forever from your kitchen! You can place baking in this unique Chromium-lined Speed Oven the moment you light the burner; save time, save gas. Heat regulator insures desired results. Why worry and fret over a red-hot, worn-out old stove? This remarkable new range must be seen to be appreciated; now is a favorable time to act.
