OUTLINE FEATURES OF ILLINOIS FAIR

Annual Affair Starts August 17; Entertainment Not Overlooked on Big Program

Springfield, Ill. — Added features that will furnish useful information represent the 1928 improvements in the program of the Illinois State Fair, Aug. 17-24, according to officials who have the preparation of that annual event in hand.

In addition to the liberal allotment for the horse show and speed ring premiums that aggregate well upward of \$60,000, horse lovers and admirers of good horsemanship will find two new attractions.

On Wednesday, Aug. 21, and Thursday, Aug. 22, the state fair will present, for the first time, a horse and mule pulling contest. Teams that weigh less than 3,000 lbs. compete in another. Prizes range from \$100 for first money down to \$20 for fourth place in each event.

A horse-breaking and big hitch demonstration will also be conducted. For this feature, the air management invites horse owners to submit unruly colts to the experts that will demonstrate how simply they can be taught to work by modern, skillful methods. This feature will also include the art of driving a team of twelve horses with a single pair of lines.

Beauty lovers will find the floral gardens a great treat this season, with the addition of an attractive rock garden and pool, and a formal design in foliage plants.

The dog show, to be in Machinery Hall Tuesday to Thursday, Aug. 20-22, inclusive, under American Kennel club supervision, will be an irresistible attraction for admirers of all breeds of dogs.

Auto racing, with some special numbers on the program in addition to the speed contest, will be the chief attraction on the opening and closing days, August 17 and 24. New track records in this modern sport as well as in the harness racing, Monday to Friday inclusive, are confidently anticipated because of the vast improvement in the condition of the speedway.

The junior show, embracing sundry lines of livestock exhibition and stock judging, the domestic science classes, and the 4-H club camp, have an abundance of entries as have the open classes, and the indications are that the exposition as a whole will set new records in keen competition.
