Leather Work Big Feature

Monday, August 5th, leather work at Sunset Park was started. It is now the chief diversion of the children. Purses are the most common articles to be desired. There are 25c sizes, a 4x2½ inch size and different sizes and prices up to \$2.00 size which is 8x11 inches. It may be added that the small cost of the article does not pay for it but is reduced to the minimum with the financial aid of the East Park Board to encourage the useful use of leisure time. Much care and patience is needed for leather work. The student who finishes a pocket book is indeed proud of it for it represents hard and skillful manual craftwork combined with patience and perseverance.

Big Bus Trip Planned

The play ground directors are planning a large trip for which any regular member is eligible. The charge will be seventy-five cents and bring your own lunch. The Field Museum, Lincoln Park and a Big League baseball game are to be taken in. Both play grounds are expecting many members to take advantage of this marvelous offer which is made by the East Park Board. Five instructors will accompany the children. Mr. Frederickson, Miss Cancie, Miss Brockway, Miss Smith and Mrs. Block will have full charge of the trip.

Sunset Stars Victorious

Ravinia play ground boys were nosed out of last weeks Indoor Baseball game by one point which was made in the last inning. The Stars also walked away with the game Thursday. They defeated the Live Wires to the tune of 15-5.

Mamie Tuma Reaches Honor Goal

The 500 point mark has been reached at last. Mamie Tuma is the much honored girl. Her score was brought up when basket season ended and she received credit for her 11 finished baskets and 165 points were added to her already high sum of points. Mamie's success in being the first one to earn the first Sunset "S" is shared by her playmates to whom she is especially endeared because of her invaluable aid.

Girls Win Athletic Badge Test

The following girls have passed the Athletic badge test: Aleda Zimmer, Lorraine Zimmer, Dorothy Boylen, Dorothy Schwalbach, Winifred Coleman, Lorraine Lindstrum. Several are expecting to finish their tests this week. They are Mamie Tuma, Helen Doland, Zella Doland, Helen Titman, Rose Smith, Rose Ventura, Betty Schmidt, Mary Ventura.

The Tests consists of four parts:

1. Balancing — (use of balance beam).
2. 50 yard dash—8 sec.
3. Make two out of five strikes—indoor ball.
4. Serve two out of 5 volley ball serves.

Ravinia Play Ground

During the hot afternoons more baskets and toys began to grow. Six trays are now nearly completed and many baskets. Leather work is now being offered at Sunset on Tuesday and Friday afternoons for all who want it. Baskets etc., will be continued here this week and preparations made for the Handicraft Exhibit at the end of the season.

Swimming continues as usual on Mondays and Wednesdays. The usual Ravinia program this week will be given over to the Track Meet however. Many are expected to participate.

In spite of the hot and rainy weather of last week, Ravinia children still came in large numbers to the playground. Hot weather games took place of the more active and strenuous ones. Jacks became exceedingly popular and was played by boys and girls alike. The winners of the playground contest on Tuesday were Margaret Burkhardt, Shirley Beyers, Bernice Kurtzen and Agnes Daly and Mildred Simpson. These girls entered the contest against the Sunset Girls on Wednesday.

"Jack-Knife" or Mumble-te-Peg and Baseball Knife also became very popular as the days grew warmer. Another game "Sand-Golf" was also interesting. But besides these hot weather games other events of interest occurred as well. The boys hike with Mr. Frederickson on Tuesday proved very interesting.

The playground at Ravinia was made possible through the kindness of Mr. Carr who gave permission to use a part of the school building in connection with the school playground.

Without this privilege many of the activities could not be carried on.

Parents should acquaint themselves with the basketweaving etc., that is being done.

Excursion Day

Here is some good news for the children. Thursday, August 15th, will be excursion day. Plans are being made to take the members of the playgrounds to Lincoln Park and to the Sox ball game at Comiskey Park.

Busses will start from the playground in the morning and return in the evening after the ball game.

Mr. Frederickson, together with Miss Cancie, Miss Brockway, and Miss Smith, will be in charge of the affair.

A small charge will be made for the transportation.

Parents are asked to provide the children with lunches.

Parents may get further information by seeing the playground director or by phoning H. P. 3830.
