thers, secretary and general manager of the track acting for the directorate has "sold" the place to that section of Chicago's millions who want clean sport at a moderate price as well as to that smaller section of the city by the lake that can afford to tread in the footsteps of "Bet-You-a-Million-Gates." The result has been an unmitigated success of such a nature as to present an uncontroversial brief for racing as an all-American sport. For no matter how ill, or poor or disabled a spectator may be, where is there a red-blooded citizen of the United States who fails to be thrilled over a genuine horse race? And on the Arlington offerings more than one turf expert has laid the handicap: These are as fast races as any man would want to see, and a dashing hazard for any man to pick a winner. Arlington in every respect has come and been seen and has conquered.

## McDonough on State Soldiers Memorial Committee, Memphis

Representative Lee McDonough attended a meeting in Chicago last Friday of a special committee appointed by Governor Emmerson to take charge of the ceremony at the dedication of the Great Illinois Soldiers Monument in memory of the Illinois Soldiers who fell in the Civil War.

Governor Emmerson with his staff will join the Governor of Tennessee and his staff together with the Tennessee Military and Civic Organizations.

The dedication will be the last week in September or the first week in October depending on the report from the Boston firm who is casting the bronze statue.

The other members of the committee are: Representative William Thon of Chicago, chairman; Representative Roy Crozine of Stonington, Illinois; Dr. Charles O. Brown of Oak Park, Illinois, a Civil War veteran; Representative Charles Lee of Decatur, Illinois a World War veteran.

Representative McDonough who was born in Memphis where the monument is to be located was chosen secretary of the committee.

## State Auditor Reports Large Volume Business

The fiscal year of the state closed June 30 and the auditor of public accounts, Hon. Oscar Nelson, reports transacted by the state. The number of warrants issued on the state treasury was 389,000, totaling \$112,444,134.70, as compared with 375,900 totaling \$94,083,071.07 for the year ending June 30, 1928. The volume is explained by the large expenditures for the construction of hard roads and the Illinois waterway together with increased bond retirement and interest.

The folks who claim they need more leisure for self culture, are not commonly found with a book in their hands after quitting time.

The people who decline to obey the laws, do not seem willing to go and live in countries where there aren't any.

## Children Give Swim Exhibition Saturday Close of H. S. Season

The swimming season at the high school pool was closed last Saturday with an excellent exhibition of the various strokes and diving by 48 children ranging in age from 5 to 11 years.

The children in the exhibition were selected from the large group that has been coming regularly to the pool during the swimming season and their diving and swimming had been perfected to a very high degree of excellency. It was a fine sight to watch those smaller children who could barely stand on the bottom in the shallow end of the pool without having their heads under water, swim back and forth across using either the breast or the crawl stroke.

Coach J. A. Peel has announced the following names of the children taking part in the exhibition:

Jean Becker, Majorie MacDonald, Nancy MacDonald, Helen Graves, Lu-

cille Marks, Elaine Marks, Barbara Steele, Janet Oppenheimer, Nancy Bowes, Barbara Bowes, Rosemary Schiff, Nancy Kaufmann, Dorcas Fitzgerald, Marge Shay, Virginia Gibson, Ovida Rosenberg, Frances Buhl, Edith Rothschild, Janet Weitzer, Elizabeth Low.

Tom Thompson, Fred Hodgdon, Anker Jeppesen, Jim Aubrey, Robert Gray, Cody Pfansteihl, Charles Russell, Bruce Sampson, Teddy Johnson, Bill Larson, Steve Aubrey, Jesse Johnson, Osborn Mason, Dick Pelt, Sara McClernan, Mary Turriff, Judy Howes, Dot Clark, Barbara White, Rebecca Harrison, Doris Mason, Mary Lu Sanborn, Lorene Mullins, Rose Smith, Ruth Gordon, Marty Clark, Deedy Clark, Barbara Mandelbaum, Louise and Helet Libberman.

If the merchants of this city don't stop making their store windows so attractive, the women folks will never be able to keep their appointments on time.

Metal Doors

### FOR PROTECTION

of factories and other important buildings, we make fire proof metal doors of great strength and resisting power. We are experts in this work as well as all kinds of tin and sheet metal work. Former customers will testify to the high quality of our efforts.
