SEE *Insulated* GAS THIS TAPPAN RANGE

BE fresh and at ease when you sit down with your guests... enjoy preparing meals in a comfortable kitchen with this Insulated Tappan Range! Insulation holds the heat in the oven—out of the kitchen. Remarkable Speed Oven requires no pre-heating for ordinary baking—saves time, saves gas. And then, the joy of oven heat control—to measure the heat for perfect baking results, and free you from "pot-watching" in the kitchen!

You'll appreciate the many unique and exclusive convenience features of this entirely new range; be sure to see the Tappan *Insulated* before you buy. Don't delay!
