**RAVINIA SEASON  
NEARING CLOSE**

**Representative Program Chosen  
for Final Week; Features  
Are Notable**

It is no easy task to select what may be called the "creme de la creme" of the entire Ravinia repertoire as it has been presented throughout the season in order to make up a week's program which may be considered as highly representative of the most popular works of the list. Yet that is always the aim of Mr. Eckstein when the time comes to schedule the season's final performance, and this year, as in the past, he has found himself embarrassed by a super abundance of highly successful works. However, the program which will be presented during the week beginning Sunday, Aug. 25, will be outstanding in every particular, and are bound to bring delight to those thousands of music enthusiasts who, during the current season, have been loyal patrons of Ravinia.

Eric DeLamarter

**Tenth Week**

The tenth week of the Ravinia season will begin Sunday afternoon, Aug. 25 with a concert of Scandinavian music presented by the Chicago Symphony orchestra under the direction of Eric DeLamarter, with Mme. Julia Claussen, mezza-soprano of the Ravinia Opera forces, herself a Scandinavian, as soloist. This concert will be dedicated to the Swedish National Society of Chicago, and there will be present on this occasion Mr. Charles S. Peterson, chairman of the society and Mr. Justus F. Mozart. The orchestral works to be played on this occasion will be representative of such Scandinavian composers as Alfven, Erickson, Grieg, and Svendsen. Mme. Claussen's solo group will consist of "Vak upp winsjal," by Erickson; "En

**Garden Study Club  
Has Interesting Meet**

The Highland Park Garden Study club held their monthly meeting at the home of Mrs. F. W. Voogt, 158 Sunset road on August 19.

After a short business meeting and a round table talk on garden problems, refreshments were enjoyed in the garden.

The writer was amazed to find so many interesting small gardens in this new section. A delightful hour was also spent visiting the older and longer established gardens, marveling at the splendid landscaping effect achieved by the club members.

Landscaping, no doubt, will be a prime-factor in our future work.

**Plays in Tourney**

Art Olson of Olson's Gent's Furnishing store will play in the Western Open championship being held in Milwaukee today.

**Training Camp Closed  
at Fort Sheridan Last  
Friday; Great Success**

The 1929 C. M. T. C. students at Camp Deiley, Ft. Sheridan, Illinois, returned to their homes Friday after thirty days of military training. They all looked well and most of them were sorry to leave and expressed delight in having an opportunity to attend camp next year, says a bulletin from the Fort.

From the physical examination records at the hospital it was discovered that nearly everyone had gained approximately eight pounds during encampment. This, in itself, is evidence that the Army takes care of the boys. The training was really over Thursday when the students returned from their annual hike to Great Lakes, which is an over-night hike. Thursday afternoon was spent in deprocessing, turning in of Army equipment and getting civilian clothes. Friday morning all were paid their fares home at the rate of 5 cents per mile. Those living at a distance will be several dollars ahead on transportation.

It was a great sight to see those sturdy-looking boys as they were leaving on trains, busses and cars. Many parents came to take their boys home with them.

**Army Captain Breaks  
Back in Tennis Game**

Captain J. W. Bollenbeck, instructor in the Citizen's Military Training camp at Fort Sheridan, who fractured his spine warming up for a tennis match on August 10, was reported to be recovering at last report.

The captain was one of the Fort Sheridan tennis team which went to the Great Lakes Naval Training station a week ago Saturday to meet the naval team. While serving a fast practice drive, Capt. Bollenbeck bent almost double and felt what he described as a "crick in his back." However, he played one set of singles and one of doubles before rain stopped the matches. On Monday his back began to pain and the captain went to the Fort Sheridan hospital, where an X-ray photograph revealed a slight fracture. He has been in a plaster cast ever since.

**Moraine Hotel to Be  
Open During Winter**

The Moraine hotel will remain open this winter as has been the custom in the past years. Winter rates will take effect October 1. Many reservations are now being made for the months of October to June. The popularity of this delightfully situated hotel on the lake shore in Highland Park is growing every year and each season sees larger patronage. Many guests elect to remain during the winter because of the home-like surroundings, the beautiful location and the splendid service afforded.

**North Shore Realtors  
Hold Good Meeting at  
Green Teapot Monday**

What is conceded to be one of the most interesting meetings of the entire season was held by the North Shore Real Estate board at the Green Tea Pot Inn in Highland Park Monday evening, Aug. 20.

Many of the members just back from their vacations expressed a noticeable spirit of optimism and renewed interest in the activities of the Real Estate board. Mr. Perkins, publisher of Sky Lines, delivered a highly instructive talk on real estate advertising, and Carl A. Gurshin of the Quinlan and Tyson company and Miss Isabella V. Harkness of Harkness & Bryn Real Estate firm reported the high lights gained during their attendance of the International Real Estate convention held recently at Boston.

The chairman of the membership committee, Mr. Robert Wyatt, presented the application for membership of Albert Eckhart of the Crosby Realty Co., who was accordingly voted into membership. The members voted to again hold the next regular meeting of the North Shore Real Estate board at the Green Tea Pot Inn.

**DEERFIELD LEGION  
DAY NEXT SATURDAY**

**Date Is Aug. 24, Program In-  
cludes Baseball Game. Par-  
achute Drop: Sports**

Deerfield is planning on a gala day on Saturday of this week with the annual celebration of Deerfield Legion Day, and an extensive and interesting program is being prepared for the entertainment of visitors.

The program starts at noon with a big children's Mardi Gras parade with children in costume and suitable prizes will be given. Mothers are urged to co-operate by getting children to participate in this event.

A picnic lunch will follow in Jewette park, and it is the hope of the Deerfield Legion members and officials that everybody in the village will arrange to bring their lunches to the park and have a real old-fashioned picnic. A field meet for children will follow the lunch hour.

A feature of the afternoon will be a baseball game between the fast Deerfield team and a good nine from outside, and this promises to be one of the big features of the afternoon. Deerfield always has a good ball team, and this year's aggregation is no exception. They have been giving a good account of themselves all season, and on Deerfield Legion Day they are sure to make a good showing.

Another spectacular feature of the afternoon's program will be a parachute leap from an airplane at a height of 2,000 feet by a daredevil aviator especially engaged for this event. A good boxing exhibition is another afternoon feature. Some of the best scrappers obtainable in this region will be secured for this event, and it is believed that one of the best cards ever given in Deerfield will result.

Dancing will be the evening amusement, and this promises to draw a large crowd, as good music is assured and a dancing floor that is all that could be desired is arranged for.

Among the prizes which are offered during the big day are a Hupmobile Six automobile and a small children's locomobile with all accessories. The Ladies Auxiliary of the Legion also is offering a cedar chest with a complete outfit of linens, etc.
