tions of these colors. The pride of the exhibition is the leather work. Leather pocket books, billfolds, and change purses are very carefully worked upon. First the girl must make her own design on tracing paper which is then retraced on the leather. Tooling of this design into the leather requires patience as well as the pasting in of the lining and of the lacing. After the lacing the tooling is carefully waxed and kept for exhibition. Each girl who has a pocket book on display is extremely proud of her ability to complete this difficult piece of handiwork. A similar amount will be displayed by Ravinia. All are asked to bring their suppers and make the day a happy picnic day.

Evening Program

In the evening beginning at 7:30 the program will begin. The main feature of the evening will be the tumbling by the Sunset girls. Their performance will take place on the bowling greens. This is the first season any of the girls have ever had any tumbling at all. They have been very interested in it. This is very evident by the high degree to which they have perfected their skill. There will be headstands, backbends, handstands and all kinds of combinations. There will also be pyramids and group stunts. One of the most popular of these is the "Snake." Come and see it. The Ravinia children will put on a gypsy dance, a quartet and several stunts. The evening will end with a presentation of awards and medals.

This has been a very happy season for all who were connected with the playgrounds. It is felt that a lot has been accomplished in the way of putting the playgrounds on a more established foundation. One thing which has been lacking at Sunset Park is the lack of interest by the older youths of the community. Mr. Laing and Mr. Brown, representing the East Park District are willing to do anything that will bring the girls and boys of high school age to the park.

Next year let us try to take advantage of the opportunities which the East Park Board affords.

Our Bus Trip

Helen Titman and Lorraine Zimmer Thursday, August 15th, the children from Ravinia and Sunset Park took a bus trip to Chicago. We left Sunset Park at 9:00 a.m. Much excitement prevailed in the bus when the water in the radiator started to boil and splashed like a fountain over the windshield. At 10:30 we reached Lincoln Park where we stayed an hour and watched the animals. The girls and boys enjoyed themselves by riding horseback. The children were not allowed to feed the monkeys but could feed the bears. The bears would stand up on two legs to catch the nuts. At 11:30 we left Lincoln Park and reached the Field Museum at 12 o'clock. We ate our lunch in the lunchroom. On the way back we got lost. We saw the mummies and the stuffed elephants. A few of the girls touched the elephants when the guards were not looking. My! How funny they felt. Some of

the girls went to the second floor and looking at the cases got lost. We left Field Museum at 1:30 p.m. and arrived at Comisky Park at 2:15. Before the game they had an entertainment. It was a tennis match. There was a net about three feet long and they played with ten cent rackets. It was lots of fun. Washington ran away the Sox, the score was nine to four. At 5:00 o'clock, the ball game was over. Coming back we kissed fenders with another car. Fortunately we only scraped the dirt of the other car. We raced with the other bus when we were on Waukegan road but we had to stop for water for our radiator, thus Ravinia beat in the race. It was a glorious trip. Let us make these trips oftener.

Ravinia Children Busy

Ravinia children are now busily working upon the last few articles for the Handicraft exhibit Friday and practicing for their respective parts in the Pageant which closes the season Friday night. Ravinia girls, ages nine and under, are doing singing games in the Pageant and ages nine and over are working on a gypsy dance. The boys have started work on a glee club.

The boys have also organized a Hard Ball team and would like to challenge Sunset. They lost their Indoor game last Wednesday, but intend to retrieve themselves in the two games scheduled this week for Wednesday and Friday.

The bus trip to Lincoln Park, the Field Museum and the ball game, was the main event of last week. Twenty-six Ravinia children filled up the Ravinia bus. No casualty occurred to mar the perfect success of the day and trip.

The season closes with a total registration of 230, children an average morning attendance of around 50, and an average afternoon attendance of around 35.
