

# Frocks of Crepe and Satin Insist on Contrasting Details and Snug Hi-plines

## Charming Styles for Afternoon

The new colors blend with the advancing season—forsaking the more vivid hues of summer and partaking of the rich tones of Autumn foliage. The silhouette undergoes subtle changes—establishing the new mode as evidenced in the frocks presented here for Fall.

### New Style Features

Skirts take an even longer line toward the back, fullness placed low under the hips develops a flare. Fine shirring and cluster pleating furnish fullness to give the silhouette its proper movement. These are peplums, pleated or flared tiers and soft ruffles.

**Dark and Reddish Brown**

**Brandywine Bottle and Lelong**

**Green Reflect the Natural Hues of Fall**

There is every advantage in choosing new frocks from this collection.
