

Highland Park Methodist Church
 North Avenue at Laurretta Place
 Frank Davidson Hopkins, Minister
 A very good sized congregation, considering the day, greeted the pastor last Sunday morning and the service was a very enjoyable one. We have been favored nearly every Sunday this summer with the presence of visiting tourists, due to our location directly upon Route 42, and these visiting Christian people have witnessed in this way to their loyalty to their faith and church when away from home.

Our Sunday school has merited praise for the splendid attendance during the warm weather, even though many were away on vacations. Our Supt. Wm. E. Bletsch, is always present and the teachers have been faithful as a rule. See to it, now that vacations are over, that your boys and girls are in Sunday school, and the best way to accomplish that is to come with them. We have two excellent classes for adults, taught by unusually capable men, Wm. H. Holgate and John H. Nich-

ols, and you will be heartily welcome in either of them.
 Next Sunday morning will be a good time to start going regularly to church again if you have been negligent of late. Our services emphasize fellowship and worship and are designed to help all to come nearer to our Heavenly Father. The pastor will speak upon a theme which he hopes will interest all and there will be special music. Come!
 The "Tea" given by the Ladies Aid at the residence of Mrs. O. L. Oleson, 369 Moraine road, last Friday

afternoon, was splendidly attended and the program was full of fun and interest. Everyone enjoyed the delightful hospitality of Mrs. Oleson and her charming home.
 After a rest period of two months the official board will resume its monthly meetings next Monday night at the church. This will be an important meeting and every member of the board is urged to attend.

Florida Times-Union: In Hollywood the other day a half-nude woman rode a horse in a movie. It will likely create a lot of interest, as there are many people who have not seen a horse in a long time.
