

**St. James to Play
Last Game Sunday**

The final game of the season for the St. James baseball team will be played Sunday in Highwood with the Brookfield team. This game is being played and the proceeds will benefit a member of the team who is ill. The game is called for three o'clock Sunday.

Last Sunday the St. James team defeated the LaGrange team by a score of 9-6.

**Football Season
Opens at Elm Place**

Wednesday, Sept. 18, commenced football practice for Elm Place. This year there are to be first and second teams made up according to size and ability instead of three teams as last year. Our team will be considerably lighter for many of our heavyweights are trying out for the freshman team at Deerfield. We hope to make up for our lack of weight by speed and ability. Boys who are interested in football should be present at the high school athletic field at every practice.

Oil Heat Saves Work and Money

Oil heat will save you money because it insures the health of your family—that's money. It relieves you, your wife, or the janitor of a lot of dirty, disagreeable work—that's money. Oil heat is more reliable and more economical than coal.

By all means come in and investigate. Get the facts about McIlvaine Oil Heat—why it is different from other methods, better and more economical. Don't put it off. Now is the time to clean up your basement for good. Install your oil burner now and prepare for perfect comfort against winter's cold.

An even temperature is automatically maintained by the McIlvaine method of continuous operation. The flame burns constantly—moderately. It is not turned on and off or high and low. Your house does not alternately heat and cool and heat again. Every room is continuously and evenly heated.

The only flame is the oil flame. There is no gas pilot to blow out—no electric spark to fail—no intricate starting and stopping devices to get out of order—no danger from delayed ignition. There is no heat wasted by forcing the furnace. The flame burns at a moderate rate, resulting in great saving of oil.

Ask About Our "Satisfaction Guarantee"

—the fairest and most comprehensive basis upon which you can purchase any equipment. Special demonstration of the McIlvaine Oil Burner may be arranged by telephone.
