**OVEN HEAT  
REGULATED  
GAS RANGE**

Our special offer on Oven Heat Regulated Gas Ranges ends September 30. To receive 10 per cent trade-in allowance on your old cook stove, you must buy your gas range before that date. This worthwhile saving brings every housewife an opportunity to own a modern, oven heat regulated gas range that "measures" heat—thus assuring perfect results always; a range that permits you hours of freedom from the kitchen, for oven watching is unnecessary. Choose your range from a variety of makes and designs—at various prices. Remember—to SAVE MONEY—buy your new gas range NOW! Come in or telephone and we'll send a representative.
