

APPRECIATION SHOWN BY MEMBERS OF CLUB

Present Gifts to Officials of Sunset Valley; Laing, Kelly and Purdy

Appreciation of the members of the Sunset Valley Golf club for the efficient services of President E. M. Laing, Professional Tom Kelly and Collector Earl Purdy was manifested materially last Sunday, when these three officials were made recipients of valuable gifts at a meeting of the members at the club.

President Laing was presented a handsome gold wrist watch with the following inscription engraved on the back:

"E. M. Laing, from members of Sunset Valley, September, 1929."

The members presented to Professional Kelly a beautiful leather traveling bag, and to Collector Purdy a handsome pen and pencil set.

Shows Club Spirit

This action on the part of the members of the club not only shows their appreciation of the faithful and efficient services of these officers, but manifests a splendid club spirit and is indicative of the harmony and cooperation for the general welfare of the organization which has all along marked the progress of this club of which Highland Park has reason to be especially proud because of the high place it holds among the golf courses of the north shore.

The recipients of these tokens of appreciation and esteem were greatly surprised and pleased and found it difficult to express their thanks and appreciation of the gifts and the sentiments which prompted them.

Laing Writes Letter

In regard and appreciation on the part of the members of the club, President Laing has sent the following letter to each member:

September 30, 1929
"It is hard, indeed, to find words that will express my gratitude for the beautiful watch the members of Sunset Valley have presented to me. May I assure you nothing could have pleased me more. However, I prize more highly the appreciation of my work which prompted this gift."

"As the little watch measures endless time, so I will never cease to remember this act of kindness."

"Yours very sincerely,

"E. M. Laing, President."

Harrington 100 feet of vacant land on First street north of Central avenue, in Highland Park, on which a large showroom and service station has just been completed for the Cadillac-LaSalle. Murray & Terry represented all parties in the above transactions.

Football Game at Highwood on Sunday

The Highwood football team showed their driving power last Sunday by defeating La Grange, 27 to 0. The game was close at the half, with only one touchdown scored against La Grange, but Highwood players began to show their stuff in the second half, with the line working splendidly in both offensive and defensive plays. The back field had no trouble in running the ball, as the line opened holes in the enemy's defense big enough to drive a truck through, fans report. The ball to be given away last Sunday was not awarded as the name and address of the winner were not obtained.

Next Sunday Highwood will play Woodstock team at Highwood. The game starts at 2:30. The ball will be given away after the game.

New Regulator for Lights Is Installed

During the past few weeks many of the street lights of Highland Park have failed to operate due to the regulator being out of order. However a new regular has been installed and it is hoped that the old system will hold out until the new lighting system which is now being planned has been installed.

Mr. Emil E. Uhler has just returned from a weeks business trip to New York.

DEERFIELD-SHIELDS DEFEATS WAUKEGAN

Football Team Wins First Game of Season Last Saturday; Score, 31 to 0

Deerfield-Shields heavy football team swamped the Waukegan high school eleven last Saturday, on the home field at Highland Park. The score was 31 to 0. Performance of the Deerfield team on the field in the season's opening game indicates that Coach Peel has a strong aggregation of players this season, and more victories are in prospect.

Waukegan Outmatched

It was a fast game all the way through, showing that the team is in good shape. From the first Deerfield was the superior team, pushing Waukegan relentlessly.

For the first touchdown, Seyfarth made an end run, Bartlett got several yards with a center play, and after another down Rogan took the ball over the line to put Deerfield ahead in the first quarter. The kick failed to reach the bar.

Rogan Scores Again

Before the end of the first half, Rogan got away again and made the second touchdown. The kick was attempted but was not made.

During the third quarters, the Waukegan team pulled itself together and made a desperate effort to stop Deerfield. But in spite of their efforts, Bartlett finally plunged about four yards for the third touchdown, and again the kick failed to change the score.

Seyfarth Scores

In the last quarter, when most of the men who had started and been taken out got back in the game, fur began to fly again (Continued on Page 17)
