Northwestern Plays Butler on Saturday

Northwestern's Wildcats will play before a record crowd in their first appearance at Dyche stadium Saturday, according to present indications. More than 35,000 are expected to attend.

The demand for season tickets has been heavy due to the several fine attractions which are being offered on the home gridiron this year. Illinois, Minnesota and Notre Dame are the three outstanding engagements.

In addition to the season tickets and the single admissions for the opener, complimentary tickets will be extended to 15,000 Boy Scouts and Y. M. C. A. boys from Chicago and vicinity.

The first game will start at 1:45 o'clock, with Butler opposing the Wildcat forces. Hanley will use most of the men who give promise of becoming regulars in this battle. The remaining members of the squad of about 45 will face the Cornell college aggregation from Mt. Vernon, Iowa. Butler gave the Wildcats a stiff tussle last year and Hanley will take no chances with the Bulldogs this trip. The score was tied at 0-0 at halftime in the 1928 contest, and the Purple was forced to go at top speed to put over two touchdowns in the closing periods of play.

Card Party a Success

The card and Bunco party given by the Royal Neighbor camp in the Masonic temple, September 26 proved very successful. 20 tables were filled and prizes were awarded to the one holding the highest score at each table. Linen towels were given as prizes for women and playing cards to the men.

The hand made quilt was won by Mr. A. J. Johnson, and the door prize to Miss Alice Thompson. Refreshments were served in the dining room, the tables were very attractively decorated with fall flowers.

"Thunderbolt" to Be Feature Next Week

George Bancroft's new all-talking picture, "Thunderbolt," comes to the Alcyon theatre, starting Tuesday, for two days.

"Thunderbolt" is one of the outstanding pictures, entertaining and wholly interesting. Harlem, New York's Negro district, with all its sinister, hidden underworld, is revealed on the screen as it actually is.

Bancroft portrays the part of a hard-fighting gang boss; Richard Arlen and Fay Wray have the supporting leads. "Thunderbolt" is superbly acted and truly a master motion picture. It will be shown to adults only.

Renew Effort to Get State Interested in Separation of Grades

Renewal of the effort to get the state to take an interest in grade separations in every township of the county will be made within the next few weeks before the Illinois Commerce Commission according to Supervisor David Van Patten of Russell, who is to urge Assistant States Attorney S. H. Block to lay the findings of his committee before the commission.

Almost three years ago Van Patten headed a committee that spent months working with the county superintendent of highways in locating all grade crossings in the county where railroad lines intersected highways. Types of crossings, to safeguard traffic, were suggested in these findings.

The matter was turned over to the assistant prosecutor but due to the fact that the Commerce Commission was changed through the defeat of Gov. Len Small by Gov. Louis L. Emmerson it was deemed advisable to delay until the new commission could be appointed.

Vegetable Wagon Is Struck by Auto

Markowitz was struck by an automobile driven by Hubert Johnson of Homewood avenue last evening at about 6:50 o'clock at the corner of Green Bay road and Onwentsia avenue. Markowitz who was driving the wagon, was injured and taken to the Highland Park hospital where his wounds were dressed and he later returned to his home in Highwood. The wagon and the machine were both going in the same direction it is stated. Fruit and vegetables were strewn all over the street, and the wagon was badly damaged.

Offer Stories by Noted Lecturers

Highland Park residents are fortunate in the variety of interest which are to be brought to the city in the form of lectures this fall and winter.

The bulletin board at the Highland Park Public Library shows Tennessee Mitchell Anderson as among the first on Oct. 21. If you are unacquainted with Mrs. Anderson's work, read the article in the Nation, for February 1927, entitled "Lively Sculpture." It is a revealing bit of Mrs. Anderson's versatility and the style of her work.

Mrs. Sinclair Lewis, better known as Dorothy Thompson in the literary world, whose book on The New Russia has been in demand at the library for some months, is to be here on November 5th.

If you would enjoy Mr. Rolvaag who appears on the program of the Highland Park Woman's club on November 19th, read his heroic tale of Norwegian settlers in the plains of South Dakota. They are Giants in the Earth and Peder Victorious.

The Monthly Bulletin of Educational Events in Chicago will also be found on the library bulletin board throughout the winter. If you have not seen Journey's End, the war play now being given in Chicago, you will miss less of the finer points by reading before seeing. So much may not be said for Caprice, the first play given by the Theatre Guild for some say, to see it first. All of the five plays to be given by the guild are now available at the Public Library: Caprice, Major Barbara, Strange Interlude, R. U. R., and Wings Over Europe.

As soon as Mrs. Merrill's list for fall review at the Ossoli club is ready they will be available. The reference department of the library will be glad to prepare lists of reviews and criticisms of the books and authors mentioned above or others to appear later.
