### Planning Rifle Club at the High School

About thirty prospective members of a proposed high school rifle club met last Wednesday afternoon at Deerfield-Shields to make plans for a rifle team for which Principal R. L. Sandwick is trying to secure a coach.

A short talk was given by James Butterworth, who spent his vacation at Camp Perry, Ohio. He is much interested in getting boys that are willing to spend some of their time in fixing up a rifle range.

The range will be located in the east attic and will be large enough to accommodate several teams. The range will be open after school for members of the club to practice. Regular matches will be held against other schools such as Waukegan, New Trier, Evanston, Oak Park, and many schools that have rifle teams.

A meeting will be held sometime this week and an election of officers will take place. Any boy who is eighteen years of age or younger may join, but he must promise to give the club his best.

### Football Player Hurt in High School Game

Adolph Jantz of Lake Bluff suffered a compound fracture of his leg in the Deerfield-Waukegan football game last Saturday.

Only about five minutes were left to play when the accident occurred. Luckily there was a doctor in the bleachers, so medical attendance was at hand immediately. An ambulance took Jantz to the Highland Park hospital.

He will not be able to play football for the rest of the year and will be missed from the line-up.

### H. S. Lightweights Lose to Waukegan

Last Saturday the Deerfield-Shields lightweight team was defeated by the Waukegan lights, 13 to 0, in a game on the Deerfield field. The locals showed up well in performance but were largely outweighed by their opponents.

Tom Strenger, captain of the Deerfield lights played remarkably well, his center plunges almost always netting a few yards in the futile attempts to score. "Red" Fisher also distinguished himself as a ball carrier, his particular job being end runs. Santi and Fox, the center and quarterback, made several fine tackles, Santi seldom letting a play through center.

There were several fumbles of the slippery pigskin, due to the fact that it rained practically the whole game. Both teams were penalized several times, Deerfield receiving the majority of them.

The lightweights are under the direction of Coach Thurston, a graduate of Dartmouth. He earned his letter in both football and baseball, playing the position of end on the football team and first baseman on the baseball team.
