

DEERFIELD-SHIELDS DEFEATS WAUKEGAN

(Continued from page 4)

and after a stiff battle the fourth touchdown was made by Seyfarth, making the score 24-0 in Deerfield's favor.

After the kick and several plays, Deerfield got back into Waukegan's territory again. Then Seyfarth caught a beautiful forward pass and got over the line for the fifth touchdown. The kick was attempted and made, leaving the score at 31-0, where it was until the end of the game.

Team Fights Hard

Moon, playing right tackle, must have left all the Waukegan players

he came in contact with in a daze. He hit 'em low and very hard. Lester, playing right guard was everywhere on the field where he was needed. Carroll, at left guard, was very useful, and all the other boys in the line were in there fighting for all they were worth. Tony Renz showed up well when he went in, in the last quarter.

Moon

In the backfield, Rogan, Seyfarth and Bartlett were the mainstays. Rogan and Seyfarth scored two touchdowns each, and Bartlett one. Worthington and Daugherty did some good work.

Forward Passing Good

Good passing, one of last year's teams weakness, was evident throughout the game. The boys intercepted several of Waukegan's passes during the game and completed several of their own.

Jantz Breaks Leg

About five minutes before the end of the game Adolph Jantz got in hot mix-up in which he broke his leg. Jantz will be out of the game for the rest of the season. He showed up well while he was playing, and will be missed greatly from the team.

Line-up

Segert	l.e.	Lenkfart
Benvenuti	l.t.	Make
Carroll	l.g.	Peddicord
Maiman	c.	Spoor (capt.)
Lester	r.g.	Stark
Moon	r.t.	Murphy
Berube	r.e.	Dunkalin
O'Connor	q.b.	Bearman
Seyfarth	l.h.	Malmberg
Rogan	r.h.	Harding
Bartlett	f.b.	Lindgren

Millennium

If the alarming divorce rate in this country is to be cut down, it will be accomplished largely by building automobiles so that the rear seats will face backwards. — The American Magazine.

Parental Fault

Diphtheria is entirely due to indifference and innocent ignorance on the part of parents.—Woman's Home Companion.

Troop 33 Hold Outdoor Meetings
Scouting is three-fourths outing and Troop 33 has remembered this in its activities by having three entirely outdoor meetings for September. The first, a two-day period at Camp Keller then a swim and camp fire on the beach and finally a picnic and camp fire in the deep and dark woods southwest of town. After the food was eaten and plates and pans licked clean in true camp style, the scouts burst worth into song that made the woods ring and wakened the owls and bats. Run-sheep-run was played in the tall grass of the Skokie until dark. After carefully putting the fire out it was so dark that it was hard to find the way out of the woods. The boys more than usually were anxious to keep together by holding hands.

Troop 33 is trying a new project. On various occasions during the year light refreshments are very necessary. Grapes are plentiful and now we are making very fine grape juice at little cost. Here is the receipt if other scouts wish to try it. Clean some gallon glass vinegar jugs and sterilize them in hot water. If put into a metal pail with warm water, the water may be heated to boiling without breaking the jug. Empty out the water and put in it one quart of clean grapes picked from the stems. Add a pint (pound) of sugar and fill the jug with boiling water and seal it. It will be ready to use after two months and will taste like fresh grapes picked from the vine on a cold moonlight night. Oh! Boy Scout, make you some! The Rattlesnake patrol has made four gallons at a cost of 22 cents per gallon. Other patrons will be busy this week making more.

Troop 33 now has a complete committee of five fathers who were selected at a meeting last week. All other fathers who were placed on the committee as assistants. Since scouting is a game for fathers as well as sons, this is a plan to get them to work together more. Last year the committee gave up one of its members, W. W. Reichardt, to be commissioner. This year it does the same to furnish another commissioner, Mr. Frank Wichman. Its progress will not stop, however, for it now has Mr. Eugene H. Klaber of Linden avenue as its present chairman.

At a recent meeting of the senior staff it made deep and dark plans for an efficiency camp somewhere out of town, between Hudson Bay and Florida. The scoutmaster announced that only efficient or first-class scouts would be taken as a reward for their good efforts.

Nuff sed, scouts, get busy!
A scribe. Troop 33
