Don't Forget Articles For Rummage Sale

In preparing articles for the rummage sale to be held in the Deerfield corner store for benefit of Parent-Teacher association, remember that clothes that are clean bring a higher price than soiled ones and repaired garments find a more ready sale. No unwashable stockings are desired or any old bottles. If, however, you have no time to clean or mend clothing do not hesitate to send it, for there is a sale for everything to be used as is or to be made over.

This is the first sale of this kind to be ever held in Deerfield and it is hoped that it will prove very popular.
