Clean — quick — safe —  
healthy heat to take the chill  
from any room in your home.  
Just the thing for cool fall days.  
Touch a match to the heater and  
have heat instantly. No muss to  
clean up afterward. In many  
designs—and moderately priced.  
Buy yours NOW!

### Garage Heaters

Have heat in your garage this  
winter. Protect your car from the  
harmful effects of frigid weather.  
Easy starting—oil kept in con-  
dition for proper lubrication—  
body finish protected—battery  
safeguarded. Install early and  
save money. DO IT NOW!

### Incinerators

Burn your garbage and rubbish in a gas incinerator. This is the best and easiest way  
to dispose of all refuse. Eliminates fire hazards caused by accumulations of rubbish  
—and banishes the disease breeding dangers of the old fashioned garbage can.  
Reasonably priced. Come in or telephone now!
