

# SMART WINTER FROCKS

Particular care has been taken in the selection of frocks for this special showing. They feature the outstanding successes of the season—the flaring skirt, the higher waist line—the softening lingerie touches—they are frocks whose fashion detail is authentic and new.

**They Are Very  
Unusual Values at  
This Low Price**

Included are frocks of both silk and cloth for afternoon and sports wear, so from this one group it is possible to choose frocks for practically every day-time need of the early winter season at a price that further stresses the advantage of selection now.

**\$9.95** Charming Autumn Hats **\$4.95**

—Color and fabrics combine to create an effect of richness and beauty in the new hats for autumn.

—Smart banded felts for sports or street are always smart and the styles presented this season are no exception. Of fine soft felt, beautifully fashioned.
