

### North Shore Chapter of D.A.R. Has First Meeting of Season

The first meeting of the year of the North Shore chapter of the D. A. R. was held October 10th at Mrs. C. A. Winston's in Wilmette. The luncheon was followed by an interesting meeting and among the speakers was Miss Saunders, in charge of Red Cross work at Great Lakes Training school. The boys in the hospital are grateful for the efforts of various organizations for

their entertainment. Miss Saunders requested gifts of magazines and old playing cards especially, and voiced the hope that when plays or entertainments were being planned for Highland Park that the boys might witness a rehearsal or that the performance might be repeated there for their enjoyment.

This idea ought to bear much fruit when one considers the wealth of talent here among the young people and in the various women's organizations. We all remember the programs given during the war and a renewal of that form of endeavor

would mean much to the boys who are sick in body and mind, and welcome the diversion that is brought to them.

On October 28th the Navy league of the United States will sponsor the observance of Navy Day.

In honor of our Navy it is our duty to see that our nation's flag is displayed, and special activities in observance of this day, which is also the birthday anniversary of Theodore Roosevelt, will be announced later.

The annual card party of the D. A. R. is to be held November 8 at the Highland Park Woman's club.

The proceeds of this party are to be used for Americanization work among the foreign-born, not only in the Elm Place evening school, but also at Ellis Island, and a generous response is hoped for from this community. Tickets can be obtained from Mrs. Warren Danley, chairman, Mrs. Lewis Sinclair or any member of the chapter.

### Interesting Program Planned for November 8

The North Shore Catholic Woman's league held its first meeting of this season on Tuesday, November 8th, at the Winnetka Woman's club house. The new president, Mrs. F. T. O'Brien extended a welcome to all and a reception was held with Mrs. William Schildgen and Mrs. Raymond Kloepper acting as hostesses.

Miss Freida Peycke, a composer interpreter, gave two groups of musically illustrated readings—"Around the World Impressions" and "Episodes in the Home." Miss Peycke's entertainment was most interesting and she captivated her audience with her charm of manner and vivid personality.

Next month's meeting on November 12th will have for its program Sister Mary Lazola of St. Xavier's Convent, Chicago, will talk on "Woman in Shakespeare" and Sister Mary Veronica of Joliet, who has spent her entire life in the teaching of the blind, will have with her four of her blind pupils who will give vocal and piano numbers. Sister Mary Veronica will also talk on "Braille Books" and have a discussion of the same.

On November 9th the club will have its annual philanthropic card party.
