Warn Children About Crossing Waukegan Rd.

Some of our children, in order to get home sooner at noon and night, make short cuts through the Goldman subdivision and north through Rosemary terrace and Todd court. They cross Waukegan road south and north of Deerfield road.

It is advisable to caution the children to cross Waukegan road at Deerfield road, where we have both lights and the police to protect them. The heavy traffic on Waukegan road makes it very dangerous for school children to cross north or south of Deerfield road.

PERCY McLAUGHIN,
Chief of Police.
