

FIRST GUILD PLAY HERE NOVEMBER 12

"Devil's Disciple" by Bernard Shaw Is Selected; Outline and Cast

The North Shore Theatre guild's first play this season is "The Devil's Disciple," by Bernard Shaw. It will be presented in the auditorium of the Highland Park Woman's club Tuesday evening, November 12. Reserved seats will be obtainable at Pease's drug store on and after Tuesday, November 5. Mrs. Constant C. Hopkins, local chairman of the guild in Highland Park, is now conducting with her committee the annual campaign for subscribers to the guild's activities in this city.

In this connection the guild wants to point out prominently that its subscription lists and its performances are open to everybody. The preferred form of affiliation is through season subscription and the holding of season tickets, but those who do not subscribe are invited to attend the individual performances by purchasing tickets at Pease's or at the door of the performance.

It is impossible for the committee to reach all who might be interested in the guild, but it is not necessary to be invited to take part in the activities, and any who would enjoy it are asked to call Mrs. Hopkins at 11 P. M. to tell her of their interest, whether it be in subscription and attendance, acting with the guild's companies or assisting in one of the several phases of production work. It is the confident opinion of the managers of the guild that "The Devil's Disciple" will be a very popular production and that it will very

Wounded Man Taken to Hospital; Says He Was Shot on Road

A man who gave the name of Frank Willis drove into Deerfield Tuesday night with a bullet hole in his abdomen and said he had been shot by a man alongside the road. He was taken to the Highland Park hospital where an operation was performed. He said he was from Chicago.

Report from the police at Lake Villa to local police said that a man was shot and killed there Tuesday night by railroad detectives and that another man was believed wounded in an attempt to steal merchandise from a car there. The railroad police planned to check up on the man Willis to determine whether or not he had been at Lake Villa.

Dance Saturday

A dance will be held Saturday evening at the Y. W. C. A. There will be good music and everyone is assured a delightful evening. An invitation is extended the public to attend.

Former President of Y. W. C. A. to Speak Here

Mrs. Clifford Barnes, a former president of the Lake Forest Y.W.C.A. board of directors will give a short, inspirational talk to the women working on the Highland Park Y.W.C.A. drive for \$6,500 this week. Mrs. Barnes will be only speaker at the check-up luncheon when the solicitors will report on Thursday, October 31 at 1:15 o'clock. The former Lake Forest Y.W.C.A. president will talk to the workers on the Young Women's Christian association as a community asset.

At the teas at the association building on Monday, Tuesday and Wednesday afternoons many workers brought in the report of the results of the days soliciting. The first full report from all the nine teams will come in at this Thursday luncheon so it is quite urgent that all workers report and try to be present at this gathering.

Those women who have been helping the Y.W.C.A. this week have been working faithfully and incessantly despite the bad weather that was still clinging to the north shore on Wednesday. The dreary days and a refusal to subscribe from a person solicited would put a damper on the spirits of the best of us. But the workers go on cheered by the generosity of those who do show their interest in Highland Park's Y.W.C.A. by giving it their financial support. May there be many more of them waiting to be solicited during these last days of the drive.

FORMAL OPENING OF BAHR'S FLOWER SHOP

Beautiful New Flower Shop to
Be Opened Tomorrow,
(Friday)

The formal opening of Mr. Bahr's new flower shop tomorrow, Friday, November 1, gives to our city one of the most modern, unique and beautiful florists establishments to be found anywhere, occupying a frontage on Laurel avenue, one block west of the depot, of 35 feet, the building is constructed of reinforced concrete with red brick front, the showroom proper, contains a special built display cooler of Mr. Bahr's own design, also a large fireplace with dark green Verdi antique marble front, the tiled floor also consists of the same color scheme, dark green and grey, a beautiful 50-foot long, spacious conservatory with a Grecian fountain adjoining the store on the east, while on the west the office, shipping room and garage accommodating four cars, are located, an eight-foot basement contains a large work and design room, shower for the employees, electric refrigerator and boiler room. Nothing has been left undone to make the store the most up-to-date and attractive in every respect.

Mr. Bahr started in business in our city over 35 years ago, and has been at it ever since and in the same location and is the only business man in Highland Park able to claim this distinction, not only that, but he is busier today than ever, ably assisted by his three sons and daughter and a large force of competent men. Mr. James McNeill has charge of the nursery department comprising 24 acres and has been with the firm since its beginning and Mr. Joseph Sullivan, who for the past 25 years has had charge of the Laurel avenue greenhouses and the perennial garden, is still in charge of those departments.

The newly built range of greenhouses, where most of the cut flowers are grown for the new store, comprised of 20,000 feet of glass, are in charge of Mr. Fritz Bahr, Jr., and Mr. George Bahr, while Mr. Karl Bahr will be in charge of the decorative department of the new store.

All of our readers are familiar with the smiling faces of Miss Anna Bahr, Mrs. E. M. Conrad and Mrs. George Bahr, who as floral artists, have no equal and when Mr. Hans Bahr is through with his course in Floriculture at Champaign practically every member of the family will be engaged in conducting the ever growing volume of business built up by the senior member.

Congratulations and best wishes Fritz.

This is one of a chain of such stores in Chicago and the north shore, it is understood. It is artistically decorated and provided with a complete stock and looks very inviting.
