at Bethany Church**

The Equeasonne male quartette will present one of their splendid sacred musical services at the Bethany Evangelical church on Sunday evening at 7:45.

This is one of the popular Negro quartettes of the middle west. They have been organized for a number of years, and have traveled a great deal in their favorite profession. For a number of years they were engaged by Fisk university to help raise a million dollars for the Fisk university endowment fund. They did much in helping to raise funds by giving their concerts everywhere. Since that time they have maintained their organization and sing wherever they are called. They are also one of the popular radio quartettes.

The following is a part of the program that will be carried out:

- Prelude.
- Meditation on pipe organ.
- Quartette, "Great Day."
- Rock of Ages on chimes.
- Prayer.
- Responsive reading.

**Many Magazines Are
Available at Library**

When making up your periodical list for 1930, keep in mind the number which may be borrowed from the Highland Park public library. Over 75 magazines make up their annual list, of which 1,079 were borrowed for home use, according to the last annual report. Suggestions of changes or additions for the coming years are now sought. Several additions are to be made and so far as the budget permits and their use warrants all needs will be met.

Most of the churches in the city donate a copy of their church paper and a few organizations do like wise. A few magazines, Atlantic, Harpers, Scribners and Worlds Work are received in duplicate and may be borrowed as soon as they can be made necessary for circulation. All other back numbers are available as soon as the current number is received. Many of these magazines are bound at the end of the year and make up a valuable part of the reference collection. Let the library know your needs this week. Telephone Highland Park 312.
