

*Enjoy—NOW—the clean heat
and health-giving rays of a*

**RADIANT
GAS
ROOM
HEATER**

Glowing cheerily--driving that damp, fall chill from the room--sending out rays that equal the sun's in their health-giving powers--providing clean, instant heat at the touch of a single match--leaving no ashes or muss to cause you work after you have used it . . . these are some of the things a Radiant Gas Room Heater brings you. Come in and see the variety of heaters from which you may select one that will perfectly fill your needs. Or telephone and we'll gladly send a representative. No obligation to you.
