

**Evanston Will Have New "Health Plant"**

"Health through exercise" is the purpose of the North Shore School of Physical Development, Evanston. During five years of activity on the North Shore the school has grown to such an extent that it is necessary to expand. Construction will start at once on the new building, which will occupy the southwest corner of Central street and Eastwood avenue.

**Legion County Council Plans Armistice Dance Antioch Palace Nov. 9**

The Lake County council of the American Legion is sponsoring an Armistice Dance for the benefit of the Sharvin Post Drum and Bugle Corps of North Chicago. The dance will be held at the Antioch Palace Saturday, November 9. The committee in charge have been fortunate in securing Maurice McAdam and his 10 piece orchestra for the evening.

This band is one of the hottest, peplest and most popular on the north shore. In addition to the dancing there will be entertainment and specialties.

The Sharvin Post Drum and Bugle Corps, being in existence but eight months has gained more in the line of advertising for Lake county than any other medium, winning fourth prize in class "A" at the state convention at Rock Island, September 1st. Competition was very keen for the boys, having to compete with

some 75 other drum corps, most of which were in existence for several years. The corps have set their efforts on going to the National convention at Boston next year and return with a national prize. They are working and rehearsing very hard to make this goal. To accomplish this step it will be necessary to raise approximately \$8,000. Their only means of raising this amount is by conducting dances, carnivals, etc. If citizens of Lake county will attend these affairs, it will lessen the burden for the Drum Corps.

*Christmas Gift*

*A Unique*

ONLY YOU CAN GIVE YOUR OWN PHOTOGRAPH

A photograph is a distinctive gift—for only you can give your own photograph. And it is one which is always warmly received—for nothing expresses friendship quite so strongly. To us the making of photographs is a keen delight—for it must be both a good likeness and artistic.
