

for Economical Transportation

# -have you driven a Chevrolet Six?

Have you felt the thrill of its six-cylinder performance—so smooth, quiet and vibrationless that you almost forget there's a motor?

Have you known the satisfaction of its six-cylinder reserve power—ready to shoot you ahead at the traffic light, to carry you over the steepest hills, or to speed you along the highway?

And do you know that anyone who can afford any car can own a Chevrolet Six?

If you have never driven a six-cylinder car, it is impossible for you to form any idea of Chevrolet performance from your imagination alone. Only a demonstration can reveal how much more delightful it is to drive a Six.

*Smoothness!* No rumble in the body—no tremble in the steering wheel—no vibration to loosen windows and doors!

*Flexibility!* Power that flows in a silken stream—and never a trace of "lugging," not even when you accelerate swiftly in high gear!

*Quiet!* Hardly a whisper from the motor. You can drive it for hours at a time without the slightest noise fatigue!

But why try to *tell* you the story when only a ride can give you the facts!

Come in! There's a car waiting for you—and it will take only thirty minutes to learn how much more delightful it is to drive a Chevrolet Six!

The Roadster, \$525; The Phaeton, \$525; The Coach, \$595; The Coupe, \$595; The Sport Coupe, \$645; The Sedan, \$675; The Imperial Sedan, \$695; The Sedan Delivery, \$595; Light Delivery (Chassis only), \$400; 1½ Ton Truck (Chassis only), \$545; 1½ Ton Truck (Chassis with Cab), \$650.
