

### Deerfield Football Team Has Good Record

Last Sunday at Deerfield, the Deerfield football team defeated the fast Lake Forest Young Men's club eleven, 7-0. This is the fifth game for the Deerfield team this season, and no team has scored on them so far. They beat the Jefferson Park Bulldogs, 7-0; Chicago Bulldogs, 6-0; Wyandottes, 14-0; Winnetka, 6-0; Lake Forest, 7-0.

This is the fifth year this team has played and last Sunday's was their fiftieth game. Out of the 50 they have won 42, tied 4 and lost 4. And that, ladies and gentlemen, is some record.

Next Sunday Deerfield plays Highwood at Highwood and if the Deerfield Gridders win they are likely to look like the House of David baseball team, as report is they have vowed not to shave for six months if they defeat Highwood. The Deerfield players are Art Kress, Yore, Juhrend, Ted Stickler, Johnson, Peterson, Carr, Lutz, Carlson, Kollar, Conway, Sticken, Smith McCraren Walker, Bock, Schwalbach.

### Adolph Bolm School of Dance Opened Oct. 24

Miss Berenice Holms, of Lake Forest, who was Premiere Danseuse with Celli in his dance recital at Orchestra hall on Sunday, Oct. 27, is the teacher of the Winnetka branch of the Adolph Bolm school of the dance which opened on Thursday, Oct. 24, with a big crowd of north shore young people. Miss Holms shines equally as dancer and teacher and won tremendous applause at the performance.

Mr. Emery Shepherd, who will conduct some classes in dramatic and rhythmic expression at the Winnetka branch, announces that he also takes classes of boys and that they are all very enthusiastic about the work. Mr. Shepherd devotes his life to children and produces plays and pantomimes at a little theatre in Michigan City, Ind., which are an important factor in the artistic development of the community. The plays are both for children and adults as he has produced some by George Bernard Shaw, J. M. Barrie, Eugene O'Neill and others, besides the plays for the youngsters.

### Bridge Party Success

Trinity Service league held a bridge party last Wednesday at the Moraine hotel for the benefit of several charitable institutions. There was a goodly attendance in spite of the inclement weather, and the affair was most successful.

Mrs. George Allen Mason and Mrs. Frank Gardner were co-chairman and were assisted by Mrs. Irving Randall, Mrs. Martin Insull, Mrs. William Barker, Mrs. John R. Todd, Mrs. Robert E. Wood, Mrs. Jay Glidden and Mrs. Joseph B. Card.

### Lake Forest Barbers Raise Price of Shaves

A majority of the barbers of Lake Forest have agreed to increase the price of shaves from 5 to 35 cent each, according to an announcement made yesterday. The new rate goes into effect November 1. No change is made in the price of hair cutting.

### County Women's Clubs to Get Copies of H. P. Club's Service Survey

Last year the social service department of the Highland Park Woman's club made an extensive survey of the institutions to which it contributed money or moral support. At the last meeting of the Lake County Federation of Women's clubs, held October 18 at Grayslake, action was taken to have copies of this survey, dealing

only with the Lake county institutions, distributed to the presidents of the fifteen clubs in the federation.

There are reports on ten county institutions in the survey, the majority of which deserve more financial support than they are receiving at present, and all of which would welcome the moral support and interest of the citizens of Lake county. By this distribution of a carefully made survey, the county clubs will find at hand worthy objects for their phil-

anthropy budgets, and the institutions will benefit greatly from the additional support and interest of these public-spirited club women. The women who undertook this splendid piece of work may feel well rewarded by the possibilities of far-reaching resultant benefits.

Newspapers said that the rate for call money last week was the lowest of the year. Well, we called and called, but none of it came.

# More for your money

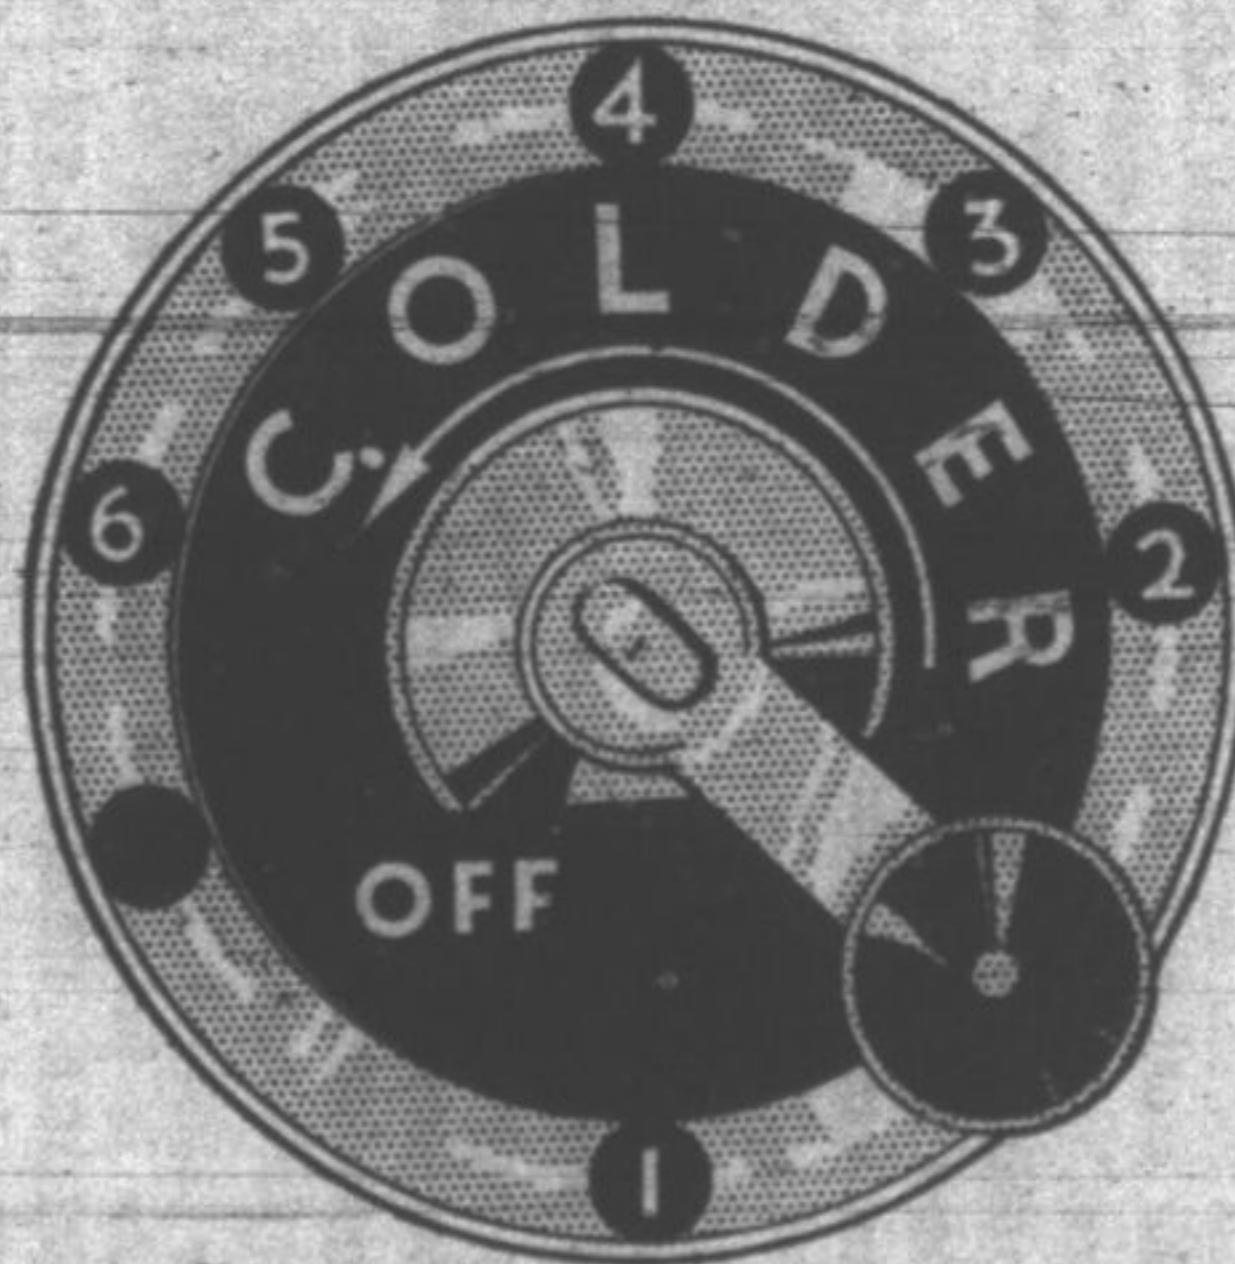

Every dollar you invest in Frigidaire buys definite value—value in terms of improvements that save time, work and trouble—value so plainly self-evident that more Frigidaires have been bought than all other electric refrigerators combined.

And you not only get definite value but extra value. For you get the famous Frigidaire "Cold Control" at no extra cost. You pay nothing extra for the surplus power of the Frigidaire compressor. You pay nothing extra for the improve-

ments that have made Frigidaire incredibly quiet. You pay nothing extra for the sound engineering which eliminates complicated parts and the need of factory service.

You'll be amazed that you can buy a Frigidaire with all of these features at the remarkably low prices now in effect. Call at our display room. Let us give you facts and figures—today.

Below is shown the famous Frigidaire "Cold Control" which speeds the freezing of ice cubes and desserts.
