

The drivers who tear around street corners at such sharp angles, need not think it is necessary to remove any trees or telephone poles as they go.

A verdict of \$750 damages against Charles Conorton, of Highwood, was sustained by the court, and judgment entered last week, after counsel for Pietro Domitti, Highwood child, had sought a new trial to get more damages. Conorton, it was charged, hurled a stone at a group of boys who were hanging around his ice wagon. The stone struck Pietro in the eye causing a serious injury.

Members of the Woman's club and their friends are already looking forward to the Thanksgiving dance to be given Friday, Nov. 29, at the club house. Cope Harvey's orchestra will furnish the music for dancing.

It is said that the cells in Sing Sing are now equipped with radio for 1,800 inmates. Doesn't this come under the heading of cruel and unusual punishment?

Chicago Plans Biggest National Farm Display; Held Nov. 30 to Dec. 7

America's farm wealth will be loaned to Chicago for one week. From Saturday, November 30, to the following Saturday, December 7, the choicest products of the livestockman's and farmer's skill will be on display at the International Live Stock Exposition at the Chicago Stock Yard.

As of recent years, the coming International will be as world-wide in fact as it is in name. Already samples of wheat have been received from far-away New South Wales, sent from the other side of the Earth to compete with the finest products of the fields of the United States and Canada in the International Grain and Hay Show.

Carlot Exhibits Spectacular

Entries will be accepted in the livestock departments up to November 1, says B. H. Heide, secretary of the exposition, and for the Grain and Hay Show, the closing date is set for November 10. Those who plan to compete in the spectacular carload contests of fat cattle, sheep, or swine, can make their entries up to November 23. At the more recent shows, over a hundred choice loads of fat cattle have each year been on view in the Chicago Stock Yard pens, adjoining the exposition buildings, and according to general opinion, are among the most interesting and educational spectacles of the entire exposition.

An unusually brilliant Horse Show is assured. Since its inception, one

of the foremost Horse Shows of world, the fact that for the coming event the leading horse fanciers the country have indicated their intention to exhibit, leads to the confident forecast by the management that a Horse Show of extraordinary interest will take place this year.

Trenton, N. J.—The apple crop New Jersey this year is 1,654 bushels short of the 1928 harvest, 1,289,000 bushels below the average yield for the last five years. The crop this year is estimated at 2,000 barrels, as compared with 7,000 barrels, the average for the year period, 1923-27. Peach production, on the other hand, shows heavy increase.
