

Jedge's Josh

"We are now," announced the guide, "passing through a rural hamlet."

"Oh," exclaimed the sweet young thing, "I thought a hamlet was a little pig."

Polly: "The photographers never do me justice."

Molly: "You want mercy, not justice, dear."

Check: "What I say to my wife goes."

Mate: "You don't say."

"Yes—it goes all over the neighborhood."

Grace: "Do you know, Kenneth kissed me twice last night before I could stop him."

Greta: "Gracious! What cheek!"

"Neither! My lips!"

HINTS FOR THE HOME

What better in the cold weather than corn-meal? It has such very valuable heat-supplying properties.

Corn meal may be served in many delightful ways, and is very popular in so-called "Johnny Cake." To make this delicious repast scald one cupful (more if wished) of Indian meal with about one cupful of absolutely boiling water until not quite thin enough to spread, add one teaspoonful of sugar and one-half teaspoonful of salt and one-quarter cupful of milk; spread with a knife in a well-greased dripping pan, mark in squares, and brown in a hot oven of 450 degrees F. Serve hot and split and butter, as eaten. Or cover with a thin white sauce and serve with a little crisp bacon.

Maple Frosting

To make maple frosting for cake the simplest way: Add maple syrup to confectioner's sugar until it is of the right consistency to spread on the cake.

Woolen Stockings

If woolen stockings are dried on stocking stretchers, there is no need to worry about their shrinking. But suppose you have no stocking stretchers? Why, then, put shoe trees in the feet before drying the stockings and this will not only keep them from shrinking but will make them more comfortable next time you wear them.

Are You Sleepless?

Drink a glass of warm milk on retiring. It will help put you in sweet slumberland.

Oven Too Hot?

Put a basin of cold water in the oven if it is too hot and watch the temperature go down!

Buying Toys

When a child fails to enthuse over a new toy, it is only fair to ask whether the toy was bought for the child or whether there may not have been a sneaking fondness for it in the heart of the grown-up boy who brought it home. — Woman's Home Companion.

Naughty Old Master

Among world-famed men who were not model boys was Haydn, celebrated Austrian composer. He played so many pranks in school that he was finally expelled. — The American Magazine.

How Dry We Are

Our average indoor atmosphere in winter is two and a half times as dry as that over the Sahara desert. — Woman's Home Companion.

The Husband (bitterly): "Men are fools to marry."

The Wife: "Yes, I agree with you but what else can we women marry?"
