A TURKEY FREE

with every Oven Heat Regulated Gas Range

Buy your new gas range NOW—and receive your Thanksgiv-
ing Turkey as a gift. ACT NOW—and the bright, new
gas range you have wanted will be in your kitchen ready
to cook the turkey, with no anxious watching on your part.
The oven heat control will maintain just the right tempera-
ture to cook the turkey—as well as other foods on your
Thanksgiving day menu—to perfection. This year—NOW
—have a modern gas range to give you better results.

Choose your new gas range
from such nationally known
makes as Magic Chef (the
new vogue in gas ranges); Re-
liable, Clark-Jewel, Tappan.
Any one of these has a trim,
appealing beauty that will
add much to the attractiv-
ness of your kitchen. They
are sturdily built for years of
satisfactory service.
