

# IT IS UP-ON-LEGS

*... just one of its  
fourteen superiorities*

It's nice when you clean your refrigerator to be able to clean all around and under it. With the cabinet up-on-legs, a mop will glide under and keep your linoleum perfectly sanitary.

This is but one of the many superiorities which you will appreciate when you come in and examine the various models carefully. And ask about our convenient payment plan

More than 350,000 homes are enjoying the economy and health-guarding service of General Electric Refrigerators... and not one owner has spent a dollar for repairs.
