

To Members of our
Christmas Savings Club:

You are one of our valued customers and a member of our Christmas Savings Club. You will be interested to learn that the club membership in this bank and the amount accumulated are the largest in the bank's history.

It affords us pleasure, also, to advise you that the various Christmas Clubs are payable on December 2nd. Hence, if you will kindly present your pass book on or after that date, the amount of your savings in the Christmas Club, plus interest, will be available.

Doubtless, you have worked and sacrificed in order to accumulate this fund. Why not make a permanent investment, a nest egg, out of part of it by starting with it a regular savings account? Or, if you already have one, consider an investment in our bond or mortgage department. We shall be pleased to serve you.

Wishing you a Happy Christmas and thanking you for your patronage, we remain

Cordially yours,
