Ravinia Woman's Club Active in Civic Work

The Civic committee of the Ravinia Woman's club, Mrs. Howard Bede, chairman in co-operation with the other civic organizations of the village, has been instrumental in accomplishing some of the needed improvements on Roger Williams avenue. The committee had hoped to

have an evergreen tree planted in park, just east of the North station, to be used as a community Christmas tree. For various reasons this will not be possible this year but the committee is looking forward to having this project completed for another Christmas season.

Christmas Gift

A Unique

ONLY YOU CAN GIVE YOUR OWN PHOTOGRAPH

A photograph is a distinctive gift—for only you can give your own photograph. And it is one which is always warmly received—for nothing expresses friendship quite so strongly. To us the making of photographs is a keen delight—for it must be both a good likeness and artistic.
