

# \$51,487.81

That is the exact amount which we are now distributing to the members of the 1929 Christmas Club.

If you are not one of the beneficiaries, sharing in the cutting of this juicy melon, you have only yourself to blame. However, there is consolation in the fact that a new club (the 1930 Club) has just been opened, offering you the opportunity of membership and assuring you of participation in the distribution a year hence.

Do not delay but join today.
