Hon. Francis G. Blair at School Dedication

The informal dedication of the Green Bay Road school last evening was a brilliant success in every way. The Honorable Francis G. Blair, state superintendent of public instruction, came up from Springfield to give the address of the evening. This was most inspiring and suggestive and was very well received. The Elm Place band, under the leadership of Mr. Brinley Shaw, and the orchestra, directed by Miss Galanda Benz, furnished several numbers which were much appreciated. The Girls' Glee club of Elm Place made its first appearance and was very much encouraged by its reception. Miss Caroline Weile, kindergarten director at Elm Place, sang two beautiful numbers with Miss Marjorie Lynch accompanying. Mrs. Raymond Herman, president of Elm Place P. T. A., presided over the meeting and introduced Mrs. Edward Hargrave, president of the Green Bay Road school auxiliary, who gave a message of appreciation for the new building in behalf of the group she represented. Mr. George E. Bliss, president of board of education, introduced County Superintendent T. Arthur Simpson, who made a short but appropriate address. Tours of inspection of the various parts of the building and social gathering in the Teachers' room where refreshments were served contributed to the success of the occasion. All the visitors were very enthusiastic over the building with its generous equipment and its artistic furnishings.

Interesting Program Dec. 14 at West Ridge School; Invite Public

Arrangements have been completed to handle a large crowd at West Ridge school on the evening of December 14, when that school brings two famous personages to Highland Park in the second of its series of four educational entertainments.

The visiting artists who make the affair an attractive one are Edith Trewartha Pierson, concert soprano, and Jessie Gay Van Cleve, known nationally as a literary critic and speaker. Both women have made names for themselves in their respective lives of endeavor.

In selecting her songs for the West Ridge concert, Miss Pierson has chosen those of particular appeal from a repertoire which has delighted audiences all over the country. Miss Van Cleve, as representative of the American Library association, will talk on "Children's Books and Reading."

The committee in charge of the series invites the general public to attend the December 14 program.
