**Increase Scholarship**  
**Fund by Benefit**

The Chicago Wellesley club, to increase its scholarship fund, is sponsoring a benefit performance on the opening night of John Drinkwater's delightful comedy, "Bird in Hand," Monday evening, December 23, at the Harris theater. The comedy, bright, gay, modern, will be played by the same group of English players who have appeared successfully in London and New York, and the night chosen is in the gayest week of the year.

Mrs. Francis E. Broomell of Chicago, president of the club, is general chairman, with members of the board working with her. Among the north shore alumnae included on her committee are: Mrs. Alfred H. Taylor of Evanston; Miss Jean MacLeish of Glencoe; Mrs. Ralph Brown of Winnetka and Mrs. Bruce MacLeish of Glencoe, who are in charge of the sale of boxes; Mrs. George E. Bliss of Highland Park, chairman of the North Shore Wellesley circle, who is chairman of the captains promoting the sale of tickets; and the captains,

**Illinois Has High**  
**Diphtheria Record**

Illinois now has more diphtheria than any other large state in the union, according to Dr. Andy Hall, state health chief. Case reports have been coming in at the rate of more than 200 per week, says the doctor, and prevalence of the malady in this state has more than doubled in the last two months. He advises anti-toxin in adequate dosage the first day. To give it after the third day has little influence, he warns.
