National Tea Company Hold 30th Anniversary

The National Tea Co., is celebrating its thirtieth anniversary this week. This concern was established Dec. 8, 1899.

In 1919 National Tea Co. operated 143 grocery stores and sold \$13,167,984.00 worth of quality food products. For the year 1929 reports indicate that sales will be \$90,000,000.00 or more, and over 1650 grocery stores and meat markets will be in operation. This marvelous growth during the last ten years proves conclusively that the consumer appreciates saving money on better groceries and that the farmer, producer and other merchants believe in National Tea Co's food distributing methods.

A cordial invitation is extended to the people of the Middle West to visit a National Tea Co store during this 30th Anniversary Sale.

North Shore Congregation Israel "Strange Interlude"

Lecture by Rabbi Louis J. Kopald. On next Sunday morning, Dec. 15, at 11 o'clock at North Shore Congregation Israel, Lincoln and Vernon avenues, Glencoe, Illinois.

Rabbi Kopald will give a second lecture on Eugene O'Neill's important play, "Strange Interlude," as being presented by the Theatre Guild in Chicago. The lecture will involve consideration also of the whole trend of the New Freedom and the New Morality developing in our day, the theme of the play, as well as of Bertrand Russell's "Marriage and Morals."

The general public is cordially invited.

According to a New York minister home should be something more than a temporary parking place. But it's our opinion that if there was as much affection displayed at home each evening as there is in the average parking place there wouldn't be so many divorce cases.

The list of boxholders includes Mrs. John Geeht, Mr. and Mrs. Thomas Wilson, Mr. and Mrs. Henry Hoyt Hilton, Mr. and Mrs. S. M.
