**Highwood Merchants
to Give Away Auto;
Award Made Jan. 5th**

The Highwood Chamber of Commerce and merchants co-operating with this organization have decided to give away a Graham-Paige automobile on Sunday afternoon, Jan. 5, 1930, at the City Hall at Highwood. Owing to the holiday rush, it is impossible for the award to be made on the 24th as stated on the tickets.

Mayor Roth of Highwood will be chairman of the committee in charge of the award. The following rules have been adopted:

No members of the Chamber of Commerce are allowed to participate or to hold tickets.

At the drawing 25 numbers will be drawn in rotation. The first number will be considered the winner. All people holding any of these 25 numbers will be requested to bring in the tickets and the one holding either the first or the number closest to the first will be awarded the automobile. All numbers must be in by the 20th;

Everyone holding tickets is requested to bring them in. The one holding the largest number of tickets will be awarded a valuable prize, not yet decided upon by the committee.

By trading at the stores which are giving away these tickets, you will receive one free chance on this beautiful automobile with every 50c purchase. As the Christmas shopping season is close at hand, why not investigate what these merchants have to offer you in the line of gifts and other merchandise for the holiday season?

**Select Healthiest Boy
and Girl at Congress
Four-H Clubs, Chicago**

The healthiest girl in the United States, as reckoned by the Four-H club annual congress in Chicago is 11 years old, weighs 129 pounds, stands 5 feet 4 1/2 inches in her medium high shoes, lives in Eustis, Lake county, Florida—and her name is Florence Smock.

Harold Deatline, 18, of Morgan county, Ind., is the healthiest boy, the congress decided last night. Both Miss Smock and Deatline were chosen from a group of 28 state champions.

Deatline is 5 feet 8 inches tall, weighs 150 pounds, has broad shoulders and is strong muscled because of "plenty of good, hard work" on his father's farm.

Miss Smock thought that perhaps she was healthy because of Florida sunshine—and oranges"; but with the sunshine and oranges went regular hours, ten hours sleep, and plenty of exercise.

Teacher: "What is a cannibal, Tommy?"

Tommy: "Please, teacher, I don't know."

"Well, if you ate your father and mother, what would you be?"

"An orphan, miss!"

"Every time I kiss you it makes me a better man."

"Well, you don't have to try to go to heaven in one night."
