### GAS REFRIGERATOR

How mother will enjoy the positive protection foods are afforded in a gas refrigerator! Wholesome foods well kept bring health and happiness to every family. Make mother *extra happy* this year by giving her a gas refrigerator.

When giving a practical gift you know it will bring a glow of pleasure on Christmas day—and for many months afterward. The continuous pleasure gas appliances bring make them excellent Christmas gifts—for they are gifts that live on indefinitely. Choose at least one gas appliance for your gift list this Christmas. Then come in and see our display—or just telephone and we'll send a representative to see you.

### RADIANT GAS ROOM HEATER

As warm a welcome as the sincerest of Christmas greetings—heat from a Radiant Gas Room Heater! It sends out cheery, clean, odorless heat at the touch of a match. Nothing to clean up afterward. Include one on your Christmas list.

Make every day as joyful as Christmas day for your wife or mother. Give her a gas range with all the latest improvements. See that she has one with oven heat control that will allow her hours of leisure and freedom from the kitchen and give her more uniform results in cooking.
