a few amendments had been voted upon, was passed unanimously by the members of the association who were present. The ballot of candidates for directorship upon the board was submitted by Mrs. R. Arthur Wood, nominating chairman, and consisted of the following names for re-election: Mrs. O. L. Olesen, Mrs. Lee Gatewood, Mrs. E. S. Burdick, Mrs. W. A. Alexander, and Mrs. E. T. R. Murfey. The ballot was carried and these women who have been serving the Y. W. C. A. so faithfully in the past will carry on for the next three years.

The meeting adjourned with the singing of the well known Y song, "Follow the Gleam."

#### Board Meeting

The regular monthly meeting of the board of directors will be held on Tuesday, Jan. 14 at ten a. m. As this is the first meeting of the new year it is most important that all members be present. There will be the annual election of officers on the board which should be of vital enough interest to every member to insure her presence to cast her vote.

#### Service Work

We heard a great deal before Christmas about the beautiful scrap books the Cubs Junior were making for their service work project. After being exhibited at the Y. W. C. A. for a week and admired by all who had an opportunity to see them, they were sent to the children's section of the Cook County hospital. The following is a letter the Cubs received from Miss Mary Prentiss, director of the social service department. "We want to thank you cordially for the scrap books you sent to us. They were given to the patients in the children's hospital who were delighted with them. We wish you could just have seen what a Merry Christmas these youngsters had with the gifts sent into them. Let us thank you again and wish you a very happy New Year."

#### Y. W. C. A. Personals

The mother of Elizabeth Ehrler, in Milwaukee, announced her engagement to Lieut. Carl Gimmler of the class of '28 at West Point. Miss Ehrler has been living at the Y since early fall when she came down to fill a vacancy left by Miss Garno Reynolds in the studio of Jens Jensen, the well known horticultural genius. Miss Ehrler has kept her romance from us all these months but when she returned after the holidays with a handsome miniature the secret was out and Miss Ehrler besieged with questions. It was discovered that she had spent the greater part of her Christmas holiday in San Antonio, Texas visiting Lieut. Gimmler and his mother, where he is completing his course in aviation.

Miss Jennie Windham was one of the guests at a bridge party at Mrs. Bruce Chandler's on Tuesday afternoon, Dec. 21.

Miss Laura E. Craneheld, Girl Reserve secretary in Highland Park two years ago, spent New Year's eve and day with the Bruce Chandlers. Miss Craneheld was on her way from her home in Madison to Akron, Ohio, where she is working in the Girl Reserve department.

Miss Wyant, who lives at the home of the Sinclairs on Dale avenue, has for the past two weeks been a resident at the Y. W. C. A. while the Sinclairs' house is full of company. Miss Wyant since early fall has been a member of the public library staff and every one at the Y has felt it a pleasure to have her with them and to have an opportunity of knowing her better. No, Miss Wyant doesn't read all the time simply because she's a librarian. She ice skates and plays bridge.

the meeting of the Epworth league next Sunday night at 8:45. Kenneth Waterson will lead and he announces he will start the meeting on time. It is sure to be an interesting hour.

The pastor spoke at Ft. Sheridan last Sunday night to an audience of soldiers which filled every seat in the large chapel, about 300 being present. Miss Faith Kulhman, James Jennings and Max Hauger assisted in the musical part of the service.

Preparations are moving right along for the celebration of our Jubilee Anniversary the 19th, 20th and 21st of this month and the full program will soon be announced. Remember that Bishop Edwin Holt Hughes, one of America's most famous speakers, will be present at the anniversary banquet to be given at the Y. W. C. A. assembly hall on Tuesday evening, Jan. 21. Tickets may be secured anytime now from members of the committee in charge.

Our adult members would do well to remember that we have two classes for adults in our Sunday school; some

schools have none. One taught by Mr. John Nichols, is for older married people and the other, taught by Mr. Wm. Holgate, is for younger married people. Both have unusually capable teachers and those attending their classes cannot fail to profit. They would be glad to welcome you.

### Rev. H. F. Siemsen Is Rotary Club Speaker

At the regular weekly luncheon and session of the Highland Park Rotary, Monday noon, at the Moraine hotel, the principal speaker was the Rev. H. F. Siemsen, pastor of the Bethany Evangelical church, who spoke convincingly on the subject, "The Plus Element in Man." His good address was heard with marked interest by the large number of members present, and there were many expressions of appreciation at the close.

AT LAST—you can see it—hear it—thrill to it on the screen! Dialog that will hit your heart; songs that you'll never forget; drama that will sweep you off your feet. BROADWAY is not only a street, not only the title of a play and picture. It is a state of mind—it is the mecca of life-hungry Youth and thrill-thirsty Age—it is a phase of modern life! And here it is in all its golden glory—and tawdry truth. Souls stripped bare; emotions unmasked—a riot of rosate and ruthless realism painted on the talking screen in scenes that will burn themselves into your memory forever!
