Deerfield-Shields Cagers Play Morton High Friday Evening

(By Arthur Johnson)

Although both the local heavies and lights dropped their first league start against Proviso, it can truthfully be said that it was failure to connect from the free throw line that cost them victory. The boys have been working to improve their fault, and when they go against the teams from Morton Friday night at 7:30 o'clock at the Deerfield-Shields high school gym, they hope to sink a higher percentage of their free throws.

In the games against Proviso the to the Auditor of Public Accounts, State of Illinois, pursuant to law.

local teams were by no means outplayed, as the one-point margins in which both teams lost would indicate. The lights seemed to have stage fright in the first half of their game and were trailing by a margin of 14-8. In the second half they constantly outplayed the Proviso lights, but their inability to hit the net from the foul line was the cause of defeat. The Morton lights have also been beaten by Proviso, and their defeat was also by one point, so it looks as if there will be a battle royal.

The local heavyweights, although losing their league opener to Proviso by a one-point margin in an overtime period, showed some nice basketball in spots, but they were still a little ragged in places. Coach Peel has been working them hard to iron out these spots and the team is clicking pretty smoothly at present. The Morton heavies also have a good team, having several of the players from last year's league championship team again playing.

The local ponies first string players are Leo Zanier and Mike Maloney at forwards, Bill Rogan at center and Joe Cummings and Tom Russell and Irving Garling at guards. The first four mentioned are veterans from last year's team, while Russell is a new comer to the squad and played a nice defence game against Proviso. Garling played some last year and divides the time at guard with Russell. Others who probably see action are Jones, Bernardini, Pasquesi, Neilson and Attides.

The latter are a man who has real ability at handling the ball and should develop into a fine player.

The time has been set up a half hour to 7:30 in order that those who attend the mothers and daughters banquet will be able to attend the game. The two previous games were in the afternoon, and as this is the first evening game a large crowd is anticipated. The boys are working to bring victory for Deerfield and some support will encourage them. Let's all be out!
