**Community "Good Turns"**

Troop 37 of Highwood helps much in the improvement of its community.

During the Christmas holidays Troop 37 helped to shovel the snow off of the proposed skating pond.

On January 5, five boys of Troop 37 assisted in picking the lucky number for the Graham Paige which was given away by the Highland Chamber of Commerce.

Last Thursday evening at scout meeting, Troop 37 was informed by Mr. Roth that the proposed skating pond needed a shoveling off and he asked the boys if they would assist in doing so. Mr. Roth also informed that the western half of Michigan avenue was shut off from auto traffic so that the children could have a place to have fun with their sleds and tobaggons and he asked the boys to see that no cars would pass there.

The above good turns are some of the good turns which Troop 37 was pleased to do to help improve the community of Highwood. — Senior Patrol Leader, August Baracani.

**Troop 37**

The meeting night of Troop 37 has been changed from Friday to Thursday and will begin at 7:15. At our last regular meeting January 9, there were 29 scouts present. The meeting began at 7:15 with the presentation of the colors. The color bearers were in command of the senior patrol leader, August Baracani. Following this event we had a little drilling and played a few games. The scouts were given an opportunity to change to different patrols if they so desired. Three scouts took advantage of this opportunity. The meeting was closed with scout benediction.—By Scout Jacob Jeppesen.

**Spend Night in Cabin**

During the past few weeks several things have happened in the scouting line for Troop 36. The scouts have been working on a skating rink at the Highwood diamond. The rink will be ready in the near future.

Five scouts were present at the over-night hike to the cabin-in-the-Woods, and arrived there at 3 p.m. December 23. The afternoon was spent in gathering wood. The night

was spent telling stories, playing games, and cooking, etc.

The new committee, which has been appointed for the following year: Mr. Prato, chairman; Mr. Macogni, Mr. Viti, Mr. Quinn and Mr. O'Flaherty the new scout master.—Arthur Driscoll.

**Changes Meeting Night**

The meeting night of Troop 36 will be changed from Friday to Monday evenings. The committee and 17 scouts were present at the last meeting. Scoutmaster O'Flaherty was unable to be present, so Mr. Roth, Mayor of Highwood took his place. We had several drilling contests, and Frank Cantagallo the smallest one of the troop was the winner.

There were also several relay races, the winning team which had the smallest boys were lead to victory under Edward Nolan. The later and Scout Art Driscoll were present at the swimming tank Saturday, Jan. 11.

The committee and scoutmaster plan to have a big blow-out in the near future. Mr. Macongi has arranged for the streets to be blocked against traffic for the use of the children to sleigh ride. A Boy Scout is to take care of things and actions.

They will be located at the north and south ends of town.—Arthur Driscoll.

**Troop 52, Deerfield**

Troop 52 opened at 7:20, Friday 3, 1930. We had opening exercises following announcements. At each meeting we are going to take about three quarters of an hour to the following, first aid, wood carving, basketry work, test passing and signaling.

We then had patrol corners. Black Bear and Pine Tree patrol were close in their points. Black Bear had 10% and Pine Tree had 10 1/4 following test passing. The meeting was closed with the scout benediction.—Harold H. P. L., Deerfield Press Club.

**Over-Night Camp**

On Saturday, Dec. 4, 1930 the scouts of Deerfield went to the Cabin-in-the-Woods for over night. We chopped down two dead trees and cut them for fire wood. We cleaned the cabin and got supper, Mr. Huhn being our cook. We had a real good supper. After supper the dishes were washed and put away. Mr. Merner and K. Vetter made pop corn.

In the morning Mr. Huhn made breakfast after which the cabin was cleaned up. We left about 9 a. m. Those present were H. Huhn E. Cazal, M. Merner, D. Clark, H. Allstrow, E. Wood, C. Simons, K. Vetter and E. Frost and John Huhn our assistant scoutmaster.—K. Vetter, Scribe.

**Deerfield Press Club**

The Deerfield Press club meeting was held on Wednesday, Jan. 8, at 4:30 o'clock in the office of Charles Kapschull. Harold Huhn, Kenneth Vetter and Milton Merner were present. We wrote our reports for our Journalism merit badge.—Milton Merner.

**Northbrook Court of Honor**

Troop 61 will have their first court of honor in the new Northbrook school gymnasium. The date is not certain yet, but it will be soon. The scouts

will march in the gym the flag coming in the center.

Awards will be given out. Most everyone is getting an award. The troop will be present with its 1930 charter from National headquarters. Come on folks! Everybody out with a crowd.—Scout Woodrow Wilson.

**Twentieth Scout Anniversary**

Myron C. Rybolt scout executive of the North Shore Area council reports the plans for the Twentieth Scout Anniversary week February 7-13 are well under way. One of the events of the week will be a mobilization of scouts in each town. Sometime during anniversary week each scoutmaster will be notified to assemble his troop in uniform at a central location. There will be a prize awarded by the council to each troop which assembles within a certain length of time.

Other features of this birthday week are Troop Father & Son dinners, scout church service, troop attendance in uniform at church services, scout window displays, stunt nights for parents, scouting programs in schools and anything else appropriate the troop wishes to plan. Scouts wear their uniform all anniversary week in and out of school.—Reporter Bill Lemle, Troop 4, Wilmette.

**Reporters Badge**

The new badges will be here next week for the Boy Scout Press club reporters of the North Shore Area council. They are red quills sewed in silk on khaki cloth which are to be worn 4" below the left shoulder seam by those who earn them. All reporters who have already qualified by writing 12 articles for the scout page will be presented with the new badge at the next court of honor. The Press club slogan is "A news report from every troop every week." Is your troop living up to the slogan?—Reporter Bill Lemle, Troop 4, Wilmette.

**Survey North Woods Camp**

On Thursday, Jan. 2, Mr. Keith Roberts left Glencoe for the north woods of Wisconsin where he was

to complete a survey of Spring lake, the lake upon which Camp Makajawan, the North Shore Area Boy Scout camp is located. With him were David Roberts his 12 year old son and George Bersch of Troop 4. Arriving at lake about 4 o'clock they made camp across the lake from the main lodge just north of the creek. Their first night in camp was spent in 11 hours of good sound sleep on a balsom bough bed in a small tent. They were unusually fortunate in having good weather. There was about 15 inches of snow in the woods and practically none on the ice. The thermometer also was registering favorable temperatures around zero.

With such fine weather the work was finished Friday afternoon. That night they broke camp and put up at Ye Olde Muskie Inn in Elcho, Wisconsin where Bert Turney, the manager of the hotel, gave them the best he had.

After breakfast Saturday they left Elcho about 8:15 arriving in Highland Park at 3:45. They report a wonderful trip with good clear roads all the way.

Makajawan looks lonesome and looking forward to next summer when it will expect "bigger and better things" from north shore scouts and scouters.

**Troop 30 Meets**

Troop 30, Highland Park Boy Scouts, met Wednesday evening at the Sunset Park skating pond and held their regular meeting, following which they were entertained at the Howard-Udell cafeteria, by their Scoutmaster John L. Udell and Mrs. Laura Howard, where sandwiches and hot chocolate were served. The evening was greatly enjoyed by all the members and they are looking forward to many more successful sessions. This troop is an active one, growing in membership and enthusiasm, and gaining much useful knowledge and experience through their scouting associations.
