

Y. W. C. A. Notes

(Continued from page 13)

chairman of the Girl Reserve committee, called a meeting of the committee at the Y. W. C. A. at 5 p. m. for dinner. Besides Mrs. Kline there were present, Miss Marjory Kendall, advisor of the Cubs Senior, Miss Myra Jane Hutton, advisor of the Cubs Junior, Miss Hermina DeHartog, advisor of the Oak Terrace Girl Reserves, known as the Makios and the Makiolets, Mrs. Delbert Meyer, associate Deerfield advisor, Mrs. Lydia Hutton, advisor of the Swastika Freshman club, and Mrs. Bruce Chandler, secretary of the committee.

It was first decided that hereafter the Girl Reserve committee will hold its regular monthly meeting the first Monday of each month at a dinner at 5 p. m.

More definite plans for the Girl Reserve Camp Reunion on Saturday February first were discussed. The committee will endeavor to get per-

mission to use the high school swimming pool as one event for this reunion. Mrs. Kline is herself a Life Saver while both Myra Jane Hutton and Miss DeHartog are Junior Life Savers and all three would be present should a permit be given to use the pool. The mid-day dinner will be served at the Y. W. C. A. and will be nominal. Each group of campers last summer kept a camp log book and these will be read at some time during the program.

Definite awards were promised in September to those girls having a perfect attendance record at club meetings. The committee is planning to have a general rally of all clubs at the Y. W. C. A. on Friday, February 7 at 4 p. m. at which time the awards for this semester will be made. Each Girl Reserve having a perfect record will receive an attractive G. R. pin.

The committee is planning to hold a Girl Reserve Mother-Daughter banquet sometime in March and at its next meeting will go more fully into preparations for this big event on the Girl Reserve program.

The inter club council which will be composed of the president and two other members of each club will meet at the Y. W. C. A. the last Tuesday of each month to suggest, discuss, and plan interclub activities and to bring about a closer feeling of contract among the various groups of girls.

Each advisor was reminded by Mrs. Kline of the importance of having the four committees in the clubs, service, social, membership, and program and having each one a functioning reality. May we add here that we have at last a Girl Reserve committee this is a "functioning reality"?

Several representatives from the Young Women's club of the Presbyterian church were at the Y. W. C. A. on the afternoon of Sunday, January 19 to act as hostesses during the afternoon social hour at which time they served tea and delicious home made cakes to over 50 folks who dropped in during the afternoon. They were the two Misses Stimpsons, Misses Elizabeth Bird, Gladys Greenlaw, Brown, McCory, Edith Walker,

Margaret Armstrong and Helen Boyce. About 10 couples who were going on a sleighing party stopped at the "Y" before their party and enjoyed the social hour in their rough clothes.

The Cubs Junior held their semi-annual election of officers at their meeting on Tuesday, January 14, electing as president of the club Sara Jane Murfey; secretary Jewell Stryker and treasurer, LaVerne Lundgren. After election the girls went out into the association yard to decorate a little tree with bread and suet for the birds. Each week the girls will put on more food for the birds during the winter months.
