

Dollar for dollar -the new **CHEVROLET** **SIX**

is a sensational value!

Every investigation of the new Chevrolet Six must lead to a single definite conclusion—*dollar for dollar, it offers more than ever before!*

More Performance—for the new Chevrolet has a great six-cylinder valve-in-head engine—increased to 50 horsepower.

More Comfort—for the four long semi-elliptic springs are under the cushioned control of Lovejoy hydraulic shock absorbers!

More Safety—for the braking system has been re-designed . . . with fully-enclosed, internal-expanding, *weather-proof* brakes!

More Beauty—for the new bodies are built by Fisher . . . with all the style, smartness and dis-

tinction for which the Fisher name is famous!

More Stamina—for the new Chevrolet has a stronger rear axle, a heavier crankshaft and a sturdier transmission!

More Value—for the new Chevrolet is a smoother, faster, better Six—yet it sells in the price range of the four!

If you are considering the purchase of a low-priced car—come in and see for yourself that the Chevrolet Six gives you more for your money than ever before!
