

# EACH DEPOSITOR HAS A HIRED MAN

AND he works, too, this hired man. He renders a lot of service, helps keep the business and financial side straight. This hired man is a checking account. He's never sick or laid up but is always on the job. Sometimes not appreciated; often abused.

It isn't fair to ask this hired man to work for nothing. It costs money for his stationery, monthly statements, postage, etc., besides his time. Give this fellow a chance—keep your bank balance well up.
