St. Paul's to Play Desplaines Feb. 11

Tuesday, February 11, the St. Paul's basketball team will play one of the most important games of the season, due to the fact that the opponent is leading the league and St. Paul's is trailing them by only one game. As the season progresses the standing of the participating teams is getting more interesting. Three teams are now tied for second place with two games lost while the leader has lost one. Within the next few weeks the leading teams are scheduled to upset each other which will effect quite a change in the standing of the league.

The following is St. Paul's home schedule until March 4:

February 11, Desplaines (Congregationalist's.)

February 18, Glenview (St. Peter's).

February 25, Northbrook.

March 4, Niles Center.

All home games are played at the Deerfield Grammar school gymnasium. A girls' game beginning at 7:45 will precede the regular league game. For an evening of real entertainment come and witness these basketball games.

The St. Paul's boys are all former High school players and under the leadership of coach Nagler who for several years has coached basketball at High schools and Y.M.C.A.'s our boys are furnishing some worthwhile games.
